

## Kunzman Resigns Crater Position For State Post

Resignations from four teachers in the School District 6 system were accepted Monday evening by the board of directors and eight instructors were elected to teaching posts.

Leonard Kunzman, vocational agriculture instructor at Crater High school for the past six years, has resigned to accept a position with the State Vocational Education department. He will direct an adult education program in the state of Oregon.

Under Kunzman's direction, the Crater High vocational agriculture program has received state-wide recognition. Some of the major honors won by students of the department are as follows.

In 1950, the first year of the agriculture program, the students won second in livestock judging at Pacific International in competition with Oregon, Washington and Idaho teams. In 1951, students repeated with second in beef judging at the PI.

In 1953, the department won a first in district parliamentary procedure contest. In 1954, they won first in both district and sectional public speaking. In 1955, Dann Johnson was elected state FFA president and he also won first in the state for public speaking. The students placed first in livestock judging at the PI.

In addition, Kunzman has headed an outstanding adult education program which drew attendance from throughout the valley. The Crater FFA chapter has sent delegates to the national FFA convention in Kansas City for the past four years.

Other resignations came from James and Nancy Gay, who had been teaching English at Crater High school. Gay was also freshman coach. He has accepted a post at Parkrose High school where he will be assistant football and head baseball coach.

Mrs. Elaine Coleman, girl's physical education instructor at Central Point Junior High, also has resigned.

Edward Greggs has been elected to fill Kunzman's post as vocational agriculture instructor. He is married and the father of two children.

Griggs taught vocational agriculture for five years at Halfway and was in charge of beef cattle experimentation at the Squaw Butte Experiment Station. He has been working on his master's degree at OSC and for the past year has been employed as a fieldman in northern Oregon, for Quaker Oats Co.

Charles LeFebvre, who has been teaching at Tacoma, Wash., will teach English at Crater High school. He has taught previously at Corvallis and Bend.

Mrs. Lorraine Hall will instruct girl's physical education at Crater High. She was PE instructor for three years at the junior high school. Mrs. Laura Patterson will teach fifth grade in Central Point Elementary school. She previously taught in Central Point.

Mrs. Letha Backes will teach

a sixth grade at Central Point Elementary. She will take the place of Donald McLarrin, who will take the shop position formerly held by John Rock. Mrs. Backes has had several years experience in the Medford schools.

Mrs. Alice Smock will teach girl's physical education in Central Point Junior high. Albert Piche was assigned to coach freshman football and basketball and varsity baseball. Earle Fichtner has been hired to instruct driver training courses at Crater High school.

## Early Deer Hunt Tags Still Available

Tags are still available for three of the early controlled deer hunts following the application filing deadline, the Oregon Game Commission said today.

All remaining tags will be sold to applicants on a first come, first serve basis. Any resident hunter whether he received a tag last year or not is eligible to apply.

Areas which lack the authorized number of hunters are the Minam, Upper Imnaha and Lower Imnaha. The hunt is scheduled for September 1-4. Approximately 400 tags remain to be issued for the Minam area, 200 for the Upper Imnaha and 300 for Lower Imnaha. A fee of \$5 must be submitted with the applications.

## Local Quaker Group To Attend Conclave

A delegation of Central Point Quakers will attend the 64th Oregon Yearly Meeting of Friends at Newberg, Oregon, historic center of western Quaker development, beginning Thursday, August 16, and continuing through Tuesday, August 21, announces the Rev. Dean Gregory, general superintendent of Northwest Friends churches.

Included in the group will be Dr. Alvin Roberts, who will attend meetings of the Board of Evangelism; Mrs. Eunice Jones; Dr. Wayne Roberts, who will attend meetings of the board of George Fox College; the Rev. and Mrs. Clynton Crisman, pastor Medford Friends church, and Mr. and Mrs. Bert Langston.

Dr. Alvin Roberts will attend only the Friday meetings and Dr. Wayne Roberts will attend the board meeting on Friday

evening. Both physicians will be back in their offices after Friday.

Emphasis will be upon the traditional Quaker concerns on peace, service, Christian education, missions, holiness evangelism and church extension, youth work and promotion.

## GI Loan Program Extended 1 Year

The World War II GI loan program ending date has been extended for one more year to July 25, 1958, under an omnibus GI loan law signed by the President August 1, 1956, according to S. T. Brannock, officer in charge of the VA office in Medford.

In the 12 years that the GI loan program has been in operation, 4,466,000 World War II veterans have borrowed \$33.2 billion in GI loans to purchase homes, farms and businesses. Of that amount, VA has guaranteed or insured \$17.9 billion.

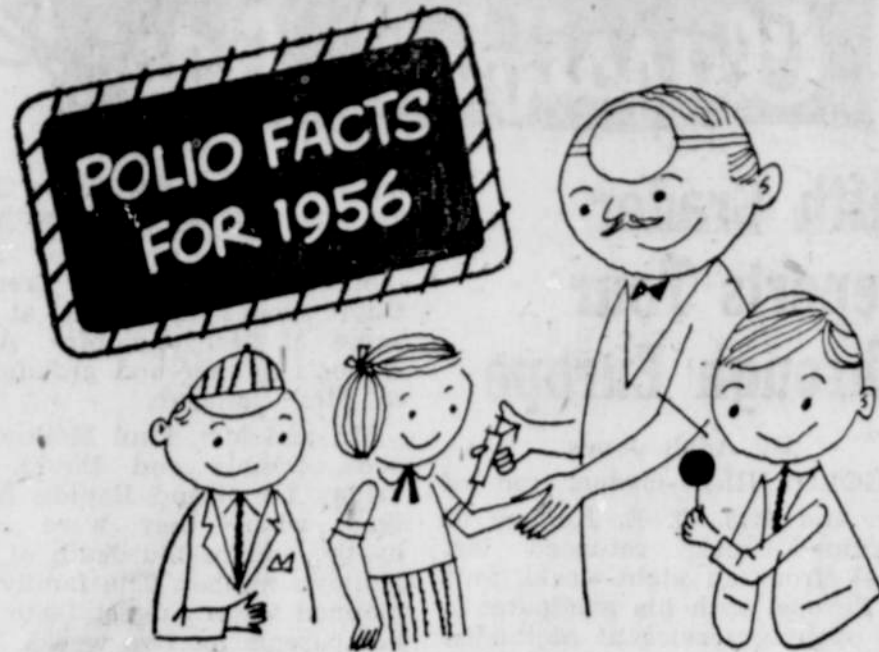

The GI loan program previously was scheduled to end July 25, 1957, Brannock stated,

and under the wording of the original law, all GI loans would have had to be closed by that date.

Under this new law, any GI loan for which VA receives an application by July 25, 1958, may be guaranteed or insured by VA if it is completed by July 25, 1959.

Brannock stated that the new law affects only World War II veterans. Korean conflict period veterans have until January 31, 1965, to obtain GI loans for homes, farms and businesses.

In addition, this new law will permit any veterans who sells residential property purchased with a GI loan to be relieved from liability to the government under certain circumstances.
