You get more car when you buy it . . . more dollars when you sell it! Chevy has the highest resale value of the leading low-priced models.

*Why people who used to buy higher priced cars are changing to Chevrolet*

More and more buyers are deciding that they prefer a sweet handling Chevrolet to a big, unwieldy high-priced car!

When you consider Chevy's reputation for performance and roadability, you wonder why any-

one would pay hundreds of dollars more for a higher priced car. Well, a lot of people have been wondering the same thing, and the result has been a big switch from high-priced cars to Chevrolet. Of course you save plenty, too. Come in and sample the fun and get the facts!

America's largest selling car—2 million more owners than any other make!
