STOOP, STRETCH and Pin,
BEFORE YOUR CLOTHES-DRYING CAN EVER BEGIN

Unless YOU OWN A
Hamilton AUTOMATIC
CLOTHES DRYER

With a
Hamilton in your home,
the last bit of laundry labor is gone for good. No more
lugging back-breaking baskets of wet wash up the base-
ment stairs... no more stoop, stretch, and pin to put them
on the line. Just take your things as they come from
wringer or spinner, toss them into your Hamilton, and get
on with your washing. The Hamilton load will be fluff-dried,
fresh, and wrinkle-free, ready for ironing, by the time the
next washer-load is ready for drying!

See this labor-saving miracle-machine today,
and place your reservation for earliest delivery.
