Ernie Tracy

Ernie Lingren was robbed of \$180 last Friday but he caught the robbers and recovered the money.

The robbery, he told police, was committed by two hitch-hiker youths he picked up while enroute to the bank.

The pair were standing alongside of the road at Flycaster Motel when Ernie saw them. He gave them a ride and when he stopped in Central Point, the pair took \$180, leaving \$20, in the bank deposit.

When Ernie returned to his car, he noticed the glove compartment was open. He discovered his loss and went in search of the two.

He saw one of the pair enter a pool hall and followed. Both were captured and later the State Police and Lingren found the missing money in a trash barrel in the rear of the pool hall. The youths were lodged in the county jail.
