date May 23d:

On and after the 5th day of June 1879, public sessions of the Board, or a committee of the same, will be held, at this office. The object of these, is to hear the views and opinions of all ersons interested in the location of Harbor fol Refuge on the Pacific Ocean between San Francisco and the Straits of Fuea. Shipmasters famillar with the navigation of the Pacific coast, and all other persons possessed of information on the subject, are invited to communicate with the Board in person or by letter. C SEAFORTH STEWART

Lt. Col. of Engs. Pacif. Sen. Member.

Strikes in New York.

A late dispatch from New York says the strike of horse-shoers and thousand times more terrible than the stablemen on the city railroads is juggernaut, and has forgotten the about ended, without the increase of purchase price. The enemies who pay demanded. Third avenue, where the strike began, reports a full force of men. The Second avenue line has all the men needed, paying \$2.25 instead of \$2, and employing some of the workmen from the Third avenue line who demanded \$2.50. The Beit line is also supplied at \$2.25 for horse-shoers, and \$1.25 for stablemen. The econd and Grand street ferry nature, but the places of strikers are nature. Until then, we shall leave our harp on the willows, and continue ine is still somewhat short of horseuble seems virtually over for the
