REPUBLICAN COUNTY CONVENTION.

The Republican voters of Coos county are hereby notified to meet in convention at Coquille City, on Saturday, April 10th, 1880, at one o'clock P. M., for the purpose of choosing six delegates to attend the Republican State Convention, and nominating candidates for county officers.

Primaries will be held at the usual places of voting in the several precincts, on Saturday, April 3, at 2 o'clock P. M., and are apportioned delegates as follows:

Table listing delegates by precinct: Beaver Slough, Bandon, Brewster Valley, Burton Prairie, Coaledo, Coos City, Coos River, Coquille, Coquille City, Empire City, Enchanted Prairie, Hall's Prairie, Johnson's, Lake, North Coos River, Marshfield, Missouri, Randolph, Sumner, South Slough.

Empire City, March 6th, 1880. By order of the Committee, I. HACKER, Chairman.

The Beginning of the End - Kearney Scotched.

By reference to a news item in another column of this paper it will be seen that the unlettered blather-skite and paltry knave Dennis Kearney, has at last been made to realize that he is not above law or superior to the claims of justice.

In his stupidity Kearney imagined that it was he who carried the city of San Francisco partly in favor of the Workingmen, while the fact was, of the 15,000 votes cast for the partially successful ticket, less than 5,000 belonged to Kearney's party; his club rolls showed this.

Two out of every three of the voters who adhered to that ticket did so as a temporary expedient to rid themselves of and rebuke a gang of official freebooters who had too long preyed upon the substance of the people. They disavowed with emphasis all respect for or sympathy with the "agitator."

His cause had no following in the country.

Within the last two months Kearney has been kicked out of the lobby of the Legislature he claimed to own, and returning to San Francisco, has been condemned to penal servitude by a court which he boasted was afraid to convict him.

The Government Shall Protect its Citizens.

The mighty power of a republic of fifty millions of people—with a continent for their possession—can only be welded permanently by being welded honestly. In a fair and generous struggle for partisan power let us not forget those issues and those ends which are above party.
