Republican State Nominations

The Republican State Convention of Los Angeles, meeting on Thursday evening, and continuing to Saturday afternoon, resolved itself into the order of business, H.C. Hultin being elected Governor, John C. McFadden, President, and W.L. Wright of Colusa, Secretary. The committee consisting of one from each section of the state, the names of which were by resolution adopted a minute ago, having completed the process, the call of the roll was then made.

The names of those candidates were then announced, and the committee resolved itself into the business of voting on the nomination of those who appeared on the Los Angeles list. The committee, consisting of H.C. Hultin, J. H. Earle, and J. S. Bley of Los Angeles, and C. C.
