Another Imposition.

The most miserable and transparent of all the humbugs which Siglin is trying to impose upon the voters of the county to secure his election, is the last. He says he can enact a law that wages shall be paid at the close of every month, and that if such payment is not made they shall draw interest at two and a half per cent. per month. He has not announced it in his paper, because he knows that among intelligent persons it would brand him as a demagogue and an impostor; but he talks it to the people and gets others to advocate his claims on that ground.

The 12th resolution in the Democratic platform, to the support of which Mr. Siglin and all Democratic candidates are pledged, is as follows:

12. That the Democracy oppose all favoritism and class legislation. No single interest or class of persons should be protected at the expense of others.

Again, the Constitution of this State forbids the Legislature to pass special or local laws in relation to interest on money—Subdivision 12, Sec. 23; Art. IV of the Constitution.

We have no hesitation in saying that such a law would be in conflict, not only with Mr. Siglin's own platform, but also with the State Constitution, and therefore void. Mr. Siglin knows this full well, or if he does not, he is greatly over rated. But he seems to go upon the theory that any fraud or deception is allowable to get votes.

Nominations for State Printer.

Governor Thayer has ordered an election to be held on the regular election day, Juna 7th, to fill the office of State Printer, vacated by the death of W. B. Carter. The Republican State Central Committee have placed in nomination W. H. Odell, of the Salem Statesman, and the Democratic Convention have nominated Tom Merry, of the Inland Empire. Both of these gentlemen are well known throughout the State, and the vote will be nearly on the party line. Merry was a candidate for County Clerk in this county in 1876, and made a canvass of the county in his own behalf. He received about ten votes in the county, but the fact that he was running independent may have had something to do with his falling so far behind. We expect him to do better in the present contest, but he is likely to come out in the minority again.

THE editor of the *Astorian* will be pleased to attend to business for people generally, in any part of the Atlantic or western States during his absence. Prior to July 15th, correspondence may be addressed: D. C. Ireland, 141 Broadway, New York; Ebbitt House, Washington; or in care of A. Booth & Co., Chicago, Illinois. After that date Mr. Ireland will be on his way home, via Idaho and eastern Oregon.

The Charges against Mayor Kalloch.

The charges which have been brought against Mayor Kalloch of San Francisco, and upon which his impeachment is based, are neglect of duty as Mayor and chairman of the board of election commissioners, and president of the board of supervisors, bringing the people of the city into infamy and disgrace by his public utterances, encouraging unlawful and turbulent gatherings and advising procession endangering public peace and the stability of the government, encouraging turbulent persons to violence, while ostensibly advising a different course. In this connection some of the Mayor's speeches are quoted. Taking and soliciting street car and Southern Pacific railroad passes.

The complaint charges him with receiving emoluments from certain other officials for obtaining positions for them in the offices of the sheriff and registrar of elections. The complaint is made returnable May 19th.

LIBELED AND SOLD.—An exchange says the brig Sheet Anchor was sold for libel at Port Townsend on the 12th, bringing $2,000, the libelant's actual claim being $3,500.
