NATIONAL REPUBLICAN PLATFORM.

Republican rule has restored upon a solid basis payment in coin for all the national obligations, and has given us a currency absolutely good and legal, and equal in every part of our extended country. It has lifted the credit of the ration from the point where six per cent, bonds sold at st, to that where four per cent, bonds are eagerly sought at a pre mium. Under its administration railways have increased from 31,000 miles Our foreign trade has increased from where there is now order, confidence \$700,000,000 to \$1,150,000,000 in the same and hope. time, and our exports, which were \$20, 000,000 less than our imports in 1879.
Without restoring to loans, it has, since the war closed, defrayed the ordinary expenses of government, besides the accruing interest on the public debt, and nearly \$151,000,000 to less than \$80,000,- tracted in the hotel business are to lican party asks for the continued confidence and support of the people, and this convention submits for their approval the following statements of the principle and purpose which will continue to guide and inspire its efforts:

THE REPUBLICAN POLICY. First-We affirm that the work of the last twenty-one years has been such as to commend itself to the favor of the nation, and that the fruits of the costly victories which we have achieved through immense difficulties should be preserved. That the peace regained should be cherished. That the dissevered Union, now happily restored, shoulbe perpetuated, and that the liberties secured to this generation should be transmitted undiminished to future gen-eratious. That the order established and the credit acculred should never be imperiled. That the pensions promise should be paid. PROPOUNCED UNANTHOUSELY AS THE

BEST INSTRUMENTS.

Their comparative excellence is recognized by the Justges in their Report, from which the following is an extract;

"The B. SHONINGER ORGAN CO.'S exhibit as the best instruments at a price rendering them possible to a large class of purchasers, having a combination of Reeds and Bells, producing never and pleasing effects, ecutaining many desirable improvements, will stand longer in dry or damp climate, less liable to get out of order, all the hearis being made three-pip, put tegether so it is impossible for them to either string, swell or spil." THE ONLY ORGANS AWARDED THIS BANK.

This Medal and Award was granted after the most severe competition of the best makers, before one of the most competent juries greenessmobled.
