Want to Get Rid of English.

Since the nomination, the Democrats have discovered that English is distressingly unpopular in his own State, and everywhere that he is well known. A recent Washington dispatch says that rumors are now com- Sumner, ing into circulation that an effort will Coquille City, . be made to induce English to retire on the ground that his presence on the ticket will render success for the party in that State impossible, because he is notoriously closefisted; Sheriff. because he is a hard-money man, and Treasurer, therefore unacceptable to many Indiana Democrats, and especially to Clerk of the Circuit Court, Landers, the candidate for Governor; Assessor, - - because the friends of Hendricks and Commissioners, McDonald cannot regard him with Superintendent of Schools, pleasure, and for other reasons. A Futile Effort.

A Democratic paper attempts without the slightest authority or backing, to deny the contemptible smallness of Redeemed since July 1 1879 English in the matter of his contribution to the sufferers of the Chicago fire and adds: "Party papers, when they have to resort to lying, and to telling lies which can so easily be dis- Issued July, 1880, proved, show themselves not only dishonest, but very foolish."
