For President, JAMES G. BLAINE.

For Vice President, JOHN A. LOGAN of Illino

D. P. THOMPSON WARREN TRUITT J. C. LEASURE Presidential Electors.

Hon. Thos. A. Hendricks is making speeches in Indiana and begging for votes. Some of his statements justify the belief that when his sore toe healed the disease shifted to his head and that he is now seriously threatened with

softening of the brain. but Schurz, we believe, forgives it on revenue system of the United States has the ground that Hendricks was color attracted the attention of financiers in come associated together in the sacred as the best system in existence. So cause of reform, little personal differ- much is heard about rascals in the pubences like calling one a liar must be put lic service that people would suppose away on a shelf.

The thirteenth amendment to the constitution, abolishing slavery in the United States, was presented in the senate for approval April 8, 1864. Thos. A. Hendricks, then a member of that body, voted against the amendment. One democratic senator, Hon. J. W. Nesmith of Oregon, voted for the amendment, and he has been out of favor with his party ever since.

A gentleman of Salt Lake City has more favorable to the people than that found a very simple and effective reme- in nations where officials are admitted dy for the caterpillar nuisance. It is to be honest. The voters pipe for conducting the heat to the trays of the country are not likely to forget containing the fruit, of which there are that when the democratic party was in 760, each 9 feet square. The establishment has a capacity of drying 15,000 pounds of apples and 10,000 pounds of plums a day, and will furnish employ-ment to 60 hands during the season.

Alvey Billings, a farmer residing near Amity, Yambill county, was instantly killed on the 3d inst. He had started for the warehouse with a load of wheat, when his team from some unknown wheels. His wife saw the team running Billings was 23 years of age and had been married about a year.

ly sought at 3 per cent.

A Curious Lawsuit.

An active and well informed demoeratic politician and editor living in New Jersey and doing business in New York writes to a prominent democrat of anti-Bayard at Chicago. The campaign will be a sick one all through, I think, and I fear Cieveland will not even get New Jorsey. He will lose New York by 50, cor on entering and afterwards severing her connection with the order, then the propecty was to be restored to changed his clothing for ten months.

What Rascally Financiering.

her. Some months ago Miss Taylor left If there be any people in the United the convent and announced, it is said, that she had withdrawn from the order tention to the frantic cry of the demo-States who are disposed to pay any atcrats about rascals, investigation will erty. Her sister suspecting the sincerdisclose to them the utter absurdity of ity of the act, demurred to giving back attempting such an issue. It has been the property, and Miss Taylor brought suit to recover. Mrs. Chouteau not desdemonstrated beyond all cavil that the iring to enter into the litigation, reconadministration of the financial affairs of veyed the property, and a short time the country has been far more efficient afterwards Miss Taylor transferred it all and economical under republican rule to Robert McNichols, as trustee for the than ever before in the history of the nause of the Convent of the Visitation. A The ship John Rosenfeld recently tion. In fact, the improvement in the left Baltimore for San Francisco with a civil service and all other branches in the the convent and took the black veil. The cargo of 3580 tons of coal-one of the fiscal department of the government plaintiffs in their petition allege fraud largest cargoes that ever left Baltimore. has been so rapid as to attract general and collusion against the officials of the commendation. The progress of the convent, charging them with using unnation has been rapid, and has necessitadue influence with Miss Taylor and ented an increase in fiscal machinery, but tering into a scheme to obtain the propin spite of all difficulties the service has erty and seek to set aside the deed by been brought to such perfection that any which it was conveyed, and also the deed reasonable investigator would be comunder which it was transferred to Mcpelled to admit that the business affairs Nichols. of the government are managed with far Thomas Adonis Hendricks used to more care and safety than private entercall Carl Schurz "a lying Dutchman," prises. The perfection of the internal H. B. Anthony, one of Rhode Island's United States senators, died at Providence on the 2d inst. He was the oldblind. When two such statesmen be- other nations, and has been commended est member of the United States senate in continuous service. He was born in 1815; was editor of the Providence Journal for a number of years; was the public funds had been stolen and elected governor of Rhode Island in squandered for years, did not the facts 1849 and again in 1850, and in 1859 was contradict all such allegations. If offielected to the United States senate and cials in this nation be thieves and pecure-elected in 1864, in 1870, in 1876 and lators, they certainly have shown remarkable consideration in their rascality when compared with the rascals of

in 1882. He was not a brilliant man, but was a useful and honoroble one. Chas. J. Folger, secretary of the other nations. We hear very little of United States treasury, died at his resiofficial stealing in other nations. We dence at Geneva, N. Y., last Thursday. are told that it is a habit in the United The New York Sun says of him: "He States, and yet for some reason the was a good judge, and had he been financial showing of this nation is far have made a good governor. His defeat, has been decreasing with great rapidity,

A Soft Detective in the South.

NASHVILLE, S. C., Sept. 3 .- Detective F. Moore of Evansville, Indiana, passed through this city to-day on his return home from Lewis county, Tennessee where he went to work up the case against citizens who killed the Mormon elders, Barr and Gibbs. He said: "1 visited Lewis county to ascertain som clues which would lead to the arrest of the mob engaged in the murder. Meeting a citizen, I asked him if he knew any of the parties concerned in the killing, to which he replied that he knew all of them, and would reveal their names if I would give him \$50. He have one of the guilty parties present. I kept the appointment, but had hardly got under an old beach tree when I was surrounded by 40 or 50 masked men. They asked me why I came to Lewis county. I told them I came to get the names of the parties implicated in the Mormon massacre. The captain then ordered the men to hang me. They put a rope around my neck, but I beg ged piteously for my life, and they finally agreed to let me go, giving me one time they had the noose around my neck and the loose end thrown over a limb of a tree, and were about to haul me up. Before letting me go they pinned a red cross made of cloth to my

shirt, and told me to leave my coat

open. I was so scared that I took the

railroad track near Mt. Pleasant and

walked to the next station. I will not

Died of a Broken Heart. New York, Sept. 3 .- A special from elected governor of this state would Cadiz, West Virginia, says: One Nash trade. had been keeping company with a young the conditions under which it occurred lady named Miss McAkin for some time, and the consequence it entailed, were but made up his mind to break the atmore than be could bear. He never re- tachment. He called last Monday and covered from the shock and disappoint- announced his intention, saying they ment of this disaster. It was to him had better separate. This statement the completest of shipwrecks, and not was a terrible shock, and she fell speecheven the distinguished preferment that less and went into spasms.
