

The Coast Mail.

MARSHFIELD, OREGON: Thursday, July 23, 1885

W. E. Plimmer has filed a libel in the United States district court at San Francisco against the Oregon development company.

General Logan, since his re-election to the Senate, is one of the most popular men in Washington.

Indiana has a Burdett Couits-Bartlett marriage. The bride is Mrs. O. F. Reynolds.

It is quite possible that our recent Secretaries of the Navy and our recent Congresses have not shown anything like infinite wisdom in the construction of government vessels.

John Kelly's Prediction Fulfilled.

One week before the election John Kelly said to your correspondent that, in supporting Cleveland, he sacrificed all his political ambition and every interest of the Tammany organization.

"No," he replied, "Cleveland will be elected, and by the votes of Tammany hall, but he will never do anything for Tammany."

The People of France.

The Paris National writes: "There are in France 36,000,000 human beings who work hard from morning to evening, and do harm to no one."

A Great Strike Ended.

New York, June 30.—The great Yonkers carpet mill strike has been compromised. For more than four months a contest has been waged at Yonkers between capital and labor.

Mugwumps and Democrats.

The mugwump journals are making all possible efforts to maintain an influence over President Cleveland.

It is quite possible that our recent Secretaries of the Navy and our recent Congresses have not shown anything like infinite wisdom in the construction of government vessels.

Seasonable Suggestions.

Some time ago we spoke of asparagus and rhubarb as indispensable in every garden, and yet there are too many farmers' gardens in which they have no place.

The Swift "Stiletto."

On Wednesday, of last week, the little steam-yacht Stiletto created a tremendous sensation by beating the Mary Powell, which for years past has held the proud and undisputed title of the "Queen of the Hudson."
