Count Tolstoi.

fensive rebuke to theorists. Born to a ful if the conference committee will be position of rank and fortune he took his able to agree upon a judiciary bill at humitarian theories so into his life, that this session of congress. he took upon himself the tolls and menial occupations of the surfs, and although a nobleman, he does the same work and eats the same coarse bread as the poorest of his fellows. An industrious, energetic man is an open rebuke to It is hard to find a shiftless worthless fellow who admires a thrifty practical rebuke to improvidence and indolence. The civilized world has great fondness for beautiful and chivalrous theories about human brotherhood. It weeps pity for a class and a personal pity for erer. individuals, and in this latter element the religions and charities of the day are sadly wanting. Tolstoi gives up his ease and luxury for the good of his unfortunate brethern and in his life is an offensive rebuke to the great multitude who will endorse the theory of sacrifice but will not imitate bim.

Secretary Noble will return to-morrow and the Oregon census case will be presented to him by Special Agent Hyde in charge, Chief Clerk Childs and Henry Galnett, the census geographer. The census office will recommend a recount of the whole state, as already stated in these dispatches. Superintendent Porter is not yet well enough to be consulted, but the officer in charge will present the demands for a recount made from the state, and also the showing mother in Coos county. in Portland and Salem. Telegrams have been coming in all day from | er of "our Binger," paid Ellensburg s various places in Oregon, asking that a visit this week. recount be made. To-day the county officers of Gilliam, Washington, Union 1890, by Hon. M. Riley, County Judge, quests for a recount of the whole state. ley, both of Ellensburg. If the secretary decides upon a re-enumeration, Multnomah county and Salem enr if there were any people outside of where he will reside. the county or city included in the count made by Leland. The census office is just now preparing to give the Portland to the editor of the Rogue River Courier and Salem returns a rigid scrutiny. The same test that was applied to St. Paul will be used in the city of Portland, but an alphabetical list of the names will be made and the duplications thrown out. Some person in Oregon has been charging crooked work against the present census. It has been alleged that people living in East Portland and Albing bad been counted in Portland. The charge made against Salem is that many hop pickers of other parts of the state were temporary residents in Salem and went to swell the recount. The man Galnett. who made the alphabetical list for St. Paul, will try his hand on the Oregon cities. It is the most severe test that had a fair show, and was out of condiany city can be put to, and it is only tion. Under more favorable circumapplied to those places that have criti cised the census severely. Probably salmon ever caught in America. many people, as there are hundrede o, people of the same name in a city, and the only distinguishing mark is whether the residence is the same. It is now apparent what was meant by the superintendent when he said the census office did not know whether the returns from Portland, as announced, were correct, yet it was not until the renewed demand for a recount of the whole state was made that it was determined to apply the alphabetical test to the recounted once that directions of a man sent especially from Washington to do the work. In this test no allowance is made for missing people. The general acceptance over the entire country, so far as duplications are concerned, is that there no city could stand it without losing for missing people. The general acceptance over the entire country, so far as duplications are concerned, is that there will be as many people missed as there are people duplicated. Portland is not to be allowed the advantage of having to be allowed the advantage of having City. her missing people to offset the dupli-
