**PLEASANT EVENING**  
The City Council Receives.  
MANY LADIES ARE AMONG THE CALLERS  
No Action Taken on Sunday Closing  
---Rev. Lee's Unsuccessful Quest for Information.

The postponed meeting of the city council came off Saturday evening, according to program, but, in spite of the attendance of a delegation from the W. C. T. U. and an urgent appeal from Rev. R. C. Lee, the council, itself did not "come off," but adhered to its policy of non-interference in the matter of Sunday closing.  
All the members of the city council, excepting Councilman Nelson, were agreed on this course, and City Attorney Coke had been delegated to define their position to the visitors who were expected, and who arrived shortly after the council convened.  
The Sunday closing forces were represented by Rev. R. C. Lee and quite a number of ladies of the W. C. T. U., and there were several other visitors in the room, including Attorney Tom Hall, who behaved himself quite nicely.  
The council was called to order by Mayor Anderson a few minutes before 8 o'clock, with all the councilmen present, except Norton, who came in later.  
The bill of G. T. Coleman, \$3 for repairing hosecart was ordered paid.  
The ladies arrived and were seated. Curiously enough, the first business transacted after their arrival was the granting of liquor licenses to E. E. Witteck and E. E. Ferry.  
A petition from property owners on Third street, asking that the proposed opening on that street, between A. and D. be postponed, was brought to the attention of the council. No action was taken as it was suggested that the petitioners were under a misapprehension as to the expense involved in the opening of the street.  
Mayor Anderson now suggested that the visitors probably had something to bring before the council, and he invited them to state their wishes.

**THE HOME COLD CURE.**  
An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves.  
No Noxious Doses—No Weakening of the Nerves—A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without subjects or loss of time from laziness by this wonderful "HOME COLD CURE" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

**WIVES CURE YOUR HUSBANDS! CHILDREN CURE YOUR FATHERS!**  
This remedy is in no sense a nostrum, but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly reliable and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "CURE" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. DO NOT WAIT. Do not be deluded by apparent and misleading "improvements." Drive out the "HOME CURE" at once and for all time. The "HOME CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. 1637 EDWIN B. GILES & COMPANY, 237 and 239 Market Street, Philadelphia, Pa. All correspondence strictly confidential.
