THE PRIZE WINNERS

Below will be found the ads which took Second and Third prize, \$1.50 and \$1.00, in the COAST MAIL'S recent ad-writing contest. Both are the work of F. S. Barzee, who is an old newspaper man and has distinct ideas in regard to advertising. It will be observed that the idea worked out in each is distinctive and somewhat uncommon. This is one good point about them. It will also be observed that in neither ad is anything said about the goods carried by the advertiser. Whether this can be commended is a very open question. In any case, however it can be said that these two ads present a contrast to the old style of attempting to give a catalogue of a whole stock of goods in a newspaper ad.

BAD COLDS.

Quinine is 10 years behind. Colds do not now have to be endured. MENDEL'S DYNAMIC TABLETS (called dynamic from their energy) crowd a week's ordinary treatment into 12 hours and about the worst of colds over night.

"It was the worst case of grip I ever had. A half dozen friends had sure cures. Still it hung on. Heard of the Dynamic Tablets. To my amazement they stopped both cold and cough the first night. I endorse and recommend them to the people." Barclay Henley, Ex-Member of Congress and attorney, 101 Sanson Street, San Francisco. July 7, 1900.

Winter colds have always been serious things to me. They are hard and stay for months. But the last was stopped suddenly by MENDEL'S Dynamic Tablets. Both Cough and cold disappeared in a couple of days. Nothing else does this for me." Mrs. Emma L. Hollis, 14 Moss St. San Francisco. August 6, 1900.

"I live across the street from where MENDEL'S DYNAMIC TABLETS are made. That is how I first took them. They stop colds without notice. I took a dozen boxes with me for self and friends when I went to Nome." H. L. Van Winkle, Capitalist, 3077 Washington St. San Francisco. August 10, 1900.

Sent post paid for 25 cents in stamps by INLAND DRUG CO., 2934 Washington Street, San Francisco. Also on sale by live local druggists. 3-15-8 m.
