EDWARDS—In San Francisco, at 1:30 p. m. Monday, June 3, 1901, Miss Daisy Edwards, aged 20 years.

Deceased was the daughter of Capt. and Mrs. Chas. E. Edwards. She was born in Myrtle Point, Dec. 23, 1880, and has lived all her life in Coos county, residing at Allegany since the family moved there, several years ago. She graduated last year from the public schools with high honors, and her prospects were of the brightest until about six months ago, when she was attacked by the illness which caused her death. She was taken to San Francisco on the Arcata which sailed on May 26th, accompanied by her father and a nurse, in hopes of there finding relief, but without avail. Miss Daisy was a bright lovable girl, and her early death casts a gloom over the little community where she lived and among a large circle of friends. The bereaved family have the sympathy of all. The body will be brought up on the Arcata, for burial here.
