All Doctors have tried to cure CATARRH by the use of powders, acid gaves, inhalers and drugs in paste form. Their powders dry up the mucuous membraces exusing them to enick open [ and bleed. The powerful acids used in the in halers have entirely eaten away the same mem branes that their makers have almost to core while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and spicialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflamma tion. It is the only remedy known to science that actually reaches the afflicted parts. This wooderful rensedy is known as "SNUFFLES carriages waiting at the door. MULES FOR HEALTH.

Haw to Leep Well Ascording to Dr.

If at one flage or another you have overworked your body, don't worry about it, but guard against repetition. Repetition lends to bad liabits.

Be independent. Don't do things be enuse you see other people do them. Admire courage and practice it. Timidter is testeral.

Don't worry about the energy from without-bacilli, changes in the weather, ere.-but try to steel your body against their influence. They mustn't be allowed to get in or burt it. Remember that it's your own faults

Don't think that good health comes as a present to you or that you will recover from illness owing to some or cult influences. To have and to hold good health you must work for it, strive for it.

If you want the physician to help you, you must help the physician. You must work hand in hand with him. Don't forget that it's yourself who decides upon soundness and III health of your body. If you are unwilling to the most important factor in medicine.
