**"Something New Under The Sun"**

All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and speciality of the treatment of CATARRH, has at last perfected a Treatment which faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES" the GUARANTEED CATARRH CURE and is sold at the extremely low price of one Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is an entirely new remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the GUARANTEED CATARRH CURE.

**His Perverted Hope.**  
Mrs. Sleepyze—Henry, the alarm clock just went off.  
Mr. Sleepyze—Thank goodness! I hope the thing'll never come back.—Ohio State Journal.

Love is unequally yoked with sickness. Labor is lightened by love, but love cannot lighten pain or relieve it. Many a man looks on at his wife's suffering willing to do anything to aid her and able to do nothing.

Sometimes, however, the husband's attention is directed to Dr. Pierce's Favorite Prescription and its remarkable cures of womanly diseases. He may not have much hope of a cure, but he is led to try the medicine, with the result that in almost every case there is a perfect and permanent cure.

Dr. Pierce's Favorite Prescription cures irregularity. It dries the drains which weaken women, heals inflammation and ulceration, and cures female weakness.

As a tonic for women who are nervous, sleepless, worn-out and run-down "Favorite Prescription" is unequalled.

"In answer to your letter I will say, my wife commenced to complain twenty years ago," writes Lewis A. Miller, ex-Chief of Police, of 33 Prospect St., Wellesport, Va. "We have tried the skill of twelve different doctors. She took gallons of medicine during the time she was ill, until I wrote to you and you told us what to do. She has taken eight bottles of Dr. Pierce's Favorite Prescription and six of the Golden Medical Discovery. She can do her own work now and can walk around again and is quite smart."

"Favorite Prescription" has the testimony of thousands of women to its complete cure of womanly diseases. Do not accept an unknown and unproved substitute in its place.

Dr. Pierce's Pleasant Pellets invigorate stomach, liver and bowels.

A. A. Fuller, of Empire City, was arrested at that place Monday on a charge of assault with a dangerous weapon.

This is the tardy outcome of the recent charivari party, when Mr. Fuller fired what he says he thought was a blank cartridge into the crowd that was gathered in front of his house, filling Andrew Peterson's legs full of shot.

The case will be prosecuted by Deputy Prosecuting attorney Farin, assisted by John S. Coke, Jr. W. U. Douglas is counsel for the accused.

The Necktie and Apron ball at Pleasant Point last Saturday night was a decided success in every particular. Two gasoline launches loaded to their full capacity with pleasure seekers went up from the bay and after the concert in Marshfield another launch load went up. Dancing continued until 6 o'clock in the morning, with a short intermission at midnight for supper.

**YOUNG NORTON TAKES**

**TASTE OF LIBERTY.**

Breaks Jail But is Captured Before Clearing the Town.

Word reached here Tuesday evening about 6 o'clock by telephone, that Lewis Norton, the young fellow who is confined in the county jail at Coquille city, awaiting trial on charge of larceny, had picked a lock and escaped from custody.

His taste of liberty was of short duration, however, as word was received later that he had been re-captured in the outskirts of the town.

Norton's story is that the janitor left the doors unlocked when he brought his supper. The janitor denies this and the theory is advanced that Norton had skeleton keys to the three doors through which he had to pass.

H. Seever, a carpenter and builder of Kenton, Tenn. when suffering intensely from an attack of bilious colic, sent to a near by drug store for something to relieve him. The druggist sent him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, three doses of which effected a permanent cure. This is the only remedy that can be depended upon in the most severe cases of colic and cholera morbus. Most druggists know this and recommend it when such a medicine is called for.
