Asthmalene Brings Instant Relief and Permanent Cure in all Cases.

SENT ABSOLUTELY FREE ON RECEIPT OF POSTAL. Write your name and address plainly.

There is nothing like Asthmalene. It brings instant relief, even in the worst cases. It cures when all else fails.

The Rev. C. F. WELLS, of Villa Ridge, Ill., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and Asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, Asthma, and thought you had over-spoken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full sized bottle."

Rev. Dr Morris Wechsler, Rabbi of the Cong. Bnai Israel.

Gentlemen: I write this testimonial from a sense of duty, having tested the wonderful effect of your Asthmalene for the cure of Asthma. My wife has been afflicted with spasmodic asthma for the past 12 years. Having exhausted my own skill as well as many others, I chanced to see your sign upon your window on 130th street, New York. I at once obtained a bottle of Asthmalene. My wife commenced taking it about the 1st of November. I very soon noticed a radical improvement. After using one bottle her asthma has disappeared and she is entirely free from all symptoms. I feel that I can conscientiously recommend the medicine to all who are afflicted with this distressing disease.

Yours Respectfully,

O. D. PHELPS, M. D.

Gentlemen: I was troubled with Asthma for 22 years. I have tried numerous remedies, but they have all failed. I ran across your advertisement and started with a trial bottle. I found relief at once. I have since purchased your full-sized bottle and I am ever grateful. I have family of four children, and for six years was unable to work. I am now in the best of health and am doing business every day. This testimony you can make such use of as you see fit.

We have one advantage over the papers that use patent insides; we haven't been obliged to publish Henry C. Payne's picture.

The Weekly Coast Mail is to be enlarged to an eight page paper. The proprietors of that paper rustlers.—Myrtle Point Enterprise. You make us blush.

The politician or office seeker who antagonizes the Headlight has something to learn in politics. The above appears in the Tillamook Headlight all by itself. We judge that the Tillamook Headlight man must be something worth looking at.

France is "affronted" by Venezuela. It is singular how easily

these big "powers" get affronted at the little ones. When an equal in guns and fighting men affronts another, smooth-tongued diplomacy is called into requisition. A fighting ship or two does the business when the offender is a little fellow.—Flornce West.

Senator Simon sees us to have gained some advantage in Portland in the appointment of clerks and judges of primaries and election and for so doing he is roundly scored. Whatever may be the good or evil, right or wrong trickery or honest intention in the case, the political power of "Little Joe" is again made apparent. The fact that the issue in the republican party of Oregon today is Simon and anti-Simon, is more evidence that he is still considered a wary antagonist and despite the opposition that has been aroused against him he still seems to be putting up an interesting fight.—Pendleton Tribune.

Business must be getting dull with some of the Coquille merchants. This week one of them

shipped several boxes of shoes to this place to be sold at an auction sale. The merchant, however, met with disappointment, as the marshal was instructed to see that the goods were not opened for sale, on account of the fear arising that they might contain smallpox germs. The merchant promptly re-shipped his goods to his home town where they will rest on the shelves until business picks up in Coquille, or until he has an opportunity to bring them to this place and dispose of them.—Myrtle Point Enterprise.

A WORTHY SUCCESSOR.

"Something New Under The Sun"

All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and speciality of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES" the GUARANTEED CATARRH CURE and is sold at the extremely low price of one Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

It is an ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."
