We wish that our Republican exchanges would say something brilliant or interesting or funny.

We don't like the looks of this thing of crediting so many clippings to this or that "Democrat."

The recent decision by the supreme court has given away pretty completely the practice of state treasurers loaning the money of the state and keeping the interest themselves. One will have to hunt up Machiavelli to learn how that is honorable.—Albany Democrat.

The Baker Democrat has the following about the Governorship. "Furnish's visit to Baker took on a chilly aspect. His reception was little less than a frost. As between Geer and Furnish for governor, the former is far preferable to republicans.

Stalwart members of the party will not support a former democrat for the highest office in the state over the heads of tried and true war horses.

Pride and prejudice are poor factors in summing up a condition from a utilitarian standpoint.

Before the Boer war commenced, Rudyard Kipling never ceased to sing the praise of the British army and of its invincibles, a score of whom were worth a company of any other nation's fighting men. Since England has had to spend a quarter of a million soldiers to South Africa to defeat fifteen or twenty thousand Boers, Mr. Kipling has seen fit to roast the English "Muffed Oats and flannelled fools." The "lesser breeds" also had their patriotism and Lyman sighs.

The pride of race made the Spanish people think that they were too well schooled in warfare to make a war with the United States very dangerous. They paid the price. Lucky is he who can profit by the experience of his neighbor, and the greatest nation in the world today would do well to never forget that pride has broken many a world power on the rack and twisted the sinews

of strength into flapping strings.—Klamath Falls Express:

The proprietors of the Daily COAST MAIL expect to install a dress of brevief for the daily and weekly, and the 27 different kinds of body types that have been talking in this paper for the past quarter of a century will be consigned to the caldron, where none but sinners dwell. It certainly has earned the rest it will get in printers' hades. God bless it, the dear old stuff.

Constipation and neurosis never go together. Dr. Wm's Little Early Risers promote easy action of the bowels without distress. "I have been troubled with constiveness nine years," says J. O. Green, Depue, Ind. "I have tried many remedies but Little Early Risers give best results.—Red Cross Drug Store and Sengstacken's Pharmacy.

Notice to the Citizens of Marshfield and Vicinity

Finding it necessary to take a trip to San Francisco for medical treatment, I wish to say to my patrons, and especially to those with whom I have contracted for cemetery work, I do not expect to be gone more than four weeks and I ask you to wait until my return, the work in most cases being well advanced.

The barometer in Dean & Co's store registered 29.13 Tuesday morning. C. H. Merchant says that this is the lowest point recorded in many years. It seems that we are not to entirely escape the storms that have been raging over the rest of the world.

A Printer Greatly Surprised
 "I never was so much surprised in my life, as I was with the results of using Chamberlain's Pain Balm," says Henry T. Crook, pressman of the Asheville N. C. Gazette. "I contracted a severe case of rheumatism early last winter by getting my feet wet. I tried several things for it without benefit. One day while looking over the Gazette, I noticed that Pain Balm was positively guaranteed to cure rheumatism, so bought a bottle of it and before using two thirds of it my rheumatism had taken its flight and I have not had a rheumatic pain since."—Sold by John Preuss.

Child Worth Millions
 "My child is worth millions to me," says Mrs. Mary Bird, of Harrisburg, Pa. "yet I would have rather by croup had I not purchased a bottle of One Minute Cough Cure." One Minute Cough Cure is a sure cure for cough, croup and throat and lung troubles. An absolutely safe cure which acts immediately. The youngest child can take it with entire effect. The little ones like the taste and remember how often it helped them. Every family should have a bottle of One Minute Cough Cure handy. Capt. Edwards found the bay too rough Tuesday for his small gasoline boat and stopped at Joe Yoakam's place above the creamery. The Coos River brought the passengers and freight from the North Fork from there to this city.

"Something New Under The Sun"

All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH by removing the cause, stopping the discharge, and curing all inflammation. It is the only remedy known to science that actually reaches the affected parts. This wonderful remedy is known as "SNUFFLES" the GUARANTEED CATARRH CURE and is sold at the extremely low price of one Dollar, each post-paid containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."

Sent prepaid to any address in the United States or Canada on receipt of one Dollar. Address Dept. E57, EDWIN B. GILES & C. MEANY, 2339 and 2332 Market Street, Philadelphia.
