

MOTHERHOOD

The greatest ambition of American men and women is to have homes blessed with children. The woman afflicted with female disease is constantly menaced with becoming a childless wife. No medicine can restore dead organs, but Wine of Cardui does regulate derangements that prevent conception; does prevent miscarriage; does restore weak functions and shattered nerves and does bring babies to homes barren and desolate for years. Wine of Cardui gives women the health and strength to bear healthy children. You can get a dollar bottle of Wine of Cardui from your dealer.

WINE OF CARDUI

118 North Street, Memphis, Tenn., April 14, 1902.
In February, 1901, I took one bottle of Wine of Cardui and one package of Tansford's Black-Draught. I had been married fifteen years and had never given birth to a child until I took Wine of Cardui. I am mother of a fine baby girl which was born March 21, 1902. The baby weighs fourteen pounds and I feel as well as any person could feel. Now my home is happy and I never will be without Wine of Cardui in my home again.

QUIET PRIMARIES

The Republican Primaries in Marshfield passed off very pleasantly and quietly Wednesday afternoon. If there was any strenuous struggle it was below the surface.

For North Marshfield precinct the primaries were held in Odd Fellows' hall. J. W. Bennett was chairman, Ed Farrin Secretary, Herbert Lockhart and J. W. Tibbets tellers.

Twenty-one or twenty-two votes were cast, and out of seventeen nominees, twelve delegates were elected, as follows: E. M. Dimmick, C. W. Tower, Thomas Howard, W. J. Butler, Thos. Hirst, E. L. C. Farrin, Archie Kruse, L. Clemmensen, E. O. Hall, E. Wittick and A. B. Prentiss.

In South precinct the primaries were held in the room next to Saechli's grocery, and were kept open from 2 to 3 p. m. W. U. Douglas was chairman, W. A. Toye Secretary, G. W. Campbell and S. B. Cathart tellers.

Forty votes were cast, and out of twenty nominees the following fifteen were elected: R. J. Coke, Jr., J. W. Kruse, W. U. Douglas, F. P. Norton, Chas. Stauff, Dr. Mingus, C. L. Bonebrake, Henry Holm, F. A. Laise, Wm. Na-burg, J. E. Coke, John Preuss, W. A. Toye, D. L. Watson, E. Heuckendorf.

In each precinct a printed ticket had been prepared, but in neither was the ticket elected in its entirety. Some of the old war-horses were replaced by the younger members of the party.

So far as the State is able to learn, the delegates are unpledged. In the matter of the sheriff's office the delegation will not be unanimous for anyone, and it is hard to tell who will receive the bulk of the votes.

Below is given a list of the delegates elected in other precincts heard from up to the time of going to press:

Empire City: L. J. Simpson, Robt. Simpson, W. B. Piper, Peter Loggie, B. D. Jones, David Morse, Wm. Saunders.

Portland's new daily paper, The Journal, comes regularly to this office. It is a four page, seven column sheet, and makes a very creditable appearance since the new machinery has been brought to run smoothly. It takes the Scripps telegraphic service and would seem to have a future before it.

Hall-Richards Nuptials

At high noon on Wednesday March 19, 1902, the wedding of Chas. Hall and Miss Bessie Richards was solemnized in the Presbyterian church, in the presence of over sixty invited guests and relatives. The Rev. S. B. McClelland officiating. Miss Maud Brown acted as bridesmaid and William Eickworth as best man.

The bride is the handsome daughter of Mr. and Mrs. Jos. Richards and the groom is the son of Mr. and Mrs. E. O. Hall. Both parties are well known in Marshfield and are held in the highest esteem.

The church was beautifully decorated with evergreens and flowers and while the wedding march was being played by Miss Lillie Merchart, the bride and groom were conducted to the altar where the ceremony was performed.

The bride was attired in white organdie and carried a bouquet of white carnation flowers. The bridesmaid was dressed in pale yellow organdie.

After the ceremony amid the congratulation of their many friends, the newly married couple, accompanied by a few of their more intimate friends, embarked in a launch for the home of the bride's parents on Isthmus slough, where an elegant wedding dinner had been prepared. Lake Items

Simpson & Quick are now occupying their new store.

Haunting potatoes is the principal industry on the beach at present.

Peter Minegat is home from the coal mines. He has been employed for the past few months at Beaver Hill.

There was a large cask of wine found on the beach, one day last week. It is needless to say that it fell into good hands and was well taken care of.

The Social dance at R. Handesplace, last Saturday was a complete success, there being a large crowd present, who were sociably inclined. Among those present were Messrs. Chas. Coleman, James Roberts and Capt. Chas. Reed, of Brewster Valley.

A head on collision was reported on North Lake Saturday night, between the U. S. Mail boat and the Henrietta. Fortunately no lives were lost, and only small damage done.

Yesterday was the first spring day we have been able to report yet. We noticed several of the animals out looking at their shadows, prominent among them were, the Groundhog, Jack Quick and several Webfooters.

There is a rumor afloat to the effect that the Barkentine, Be-a-gee, Capt. Knyon, was blown several miles off her course, during one of the hard storms lately, but the Capt. when interviewed, denied this saying he and the 1st. Officer Landrith were both on the bridge during the whole gale, and that the ship never varied her course a point.

Several parties here are talking of moving to Myrtle Point, as from the Coast Mail reports, the streets of that city are considered far superior to some of the roads in this vicinity. At least they have a life saving service there, and here the lone traveler is liable at any time to become totally submerged in pure Oregon soil.

ARE YOU DEAF? ANY HEAD NOISES?

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE by our new invention. Only those born deaf are incurable. HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will give you a full history of my case, to be used at your discretion.

About five years ago my right ear began to slug, and this kept on getting worse, until I lost my hearing in this ear entirely.

I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.

I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and ten days after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours,

F. A. WERMAN, 725 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupations. Examination and advice free. YOU CAN CURE YOURSELF AT HOME at a nominal cost.
