DIED

STRANG—In—Marshfield, Oregon, March 14, 1902, Emily M., wife of D. P. Strang Sr., aged 59 years, 5 months and 28 days. Deceased was born in Rutland Vt. in 1842. Her family later removed to Minnesota, and in Rice county, that state, she was married to D. P. Strang June 20 1858. In 1871 they came to Oregon, reaching Coquille between Christmas and New Year. In 1873 they moved to Marshfield, where they resided about 5 years when they returned to the Coquille where they have resided ever since.

Deceased had been a member of the Seventh Day Advent church about 22 years and highly esteemed by all who knew her.

Mrs. Strang's health has never been good on this coast, and of late years she has failed quite rapidly, until her ailments terminated in dry gangrene, which attacked her feet. She was brought to Marshfield for medical treatment, but this was unavailing. Of six children born to Mr. and Mrs. Strang three survive: David P., Jr. and Zenas C., of Coquille, and Frank E., of Eastern Oregon. On account of the disease which caused her death, immediate burial was necessary, and the funeral was in this city, Saturday afternoon, Rev. R. C. Lee, officiating.

64 & 65 Merchants' Exchange
SAN FRANCISCO, CAL.

W. T. Gray, representing J. E. Hazeltine & Co., of Portland, dealers in heavy hardware and wagon material, is in town, looking into trade conditions in the interests of his firm. It is evident that Portland dealers are awaking to the fact that the Coos Bay trade would be worth coming after. Mr. Gray recognizes the fact, however, that so long as San Francisco furnishes the best market for our products, Portland is handicapped in her efforts to divert buyers to her markets. While he finds a very friendly spirit among the merchants here, he says that the mentioned fact is a disadvantage.

For New Steamer Line

Messrs. Adair and Wilson, of the Oregon Coast Navigation Company, recently organized in Portland, came down on the Alliance about a couple of weeks ago, looking over the ground and interviewing the people here in the interests of their company.

It is proposed to build a steamer to run between Coos Bay and Portland, calling at the way ports Gardiner, Stowaway, Cannon Beach and Mears. A steamer of about 400 tons is wanted and Messrs. Adair and Wilson have been in consultation with Capt. H. Reed and have asked him for estimates on such a boat.

Very nice trade might be worked up in these small way-ports that would pay running expenses for an inexpensive boat.

If the project is carried out, it is to be hoped that the steamer will be built here.

MOTHERHOOD

The greatest ambition of American men and women is to have homes blessed with children. The woman afflicted with female disease is constantly menaced with becoming a childless wife. No medicine can restore dead organs, but Wine of Cardui does regulate derangements that prevent conception; does prevent miscarriage; does restore weak functions and shattered nerves and does bring babies to homes barren and desolate for years. Wine of Cardui gives women the health and strength to bear healthy children. You can get a dollar bottle of Wine of Cardui from your dealer.

WINE OF CARDUI

143 Market Street, Memphis, Tenn., April 14, 1901.
In February, 1901, I took one bottle of Wine of Cardui and one package of Theodor's Black-Draught. I had been married fifteen years and had never given birth to a child until I took Wine of Cardui. Now I am mother of a fine baby girl which was born March 31, 1901. The baby weighs fourteen pounds and I feel as well as any person could feel. Now my home is happy and I never will be without Wine of Cardui in my home again.

When you wake up with a bad taste in your mouth you may know that you need a dose of Chamberlain's Stomach & Liver Tablets. They will cleanse your stomach, improve your appetite and make you feel like a new man. They are easy to take,

From Portland comes the report of a incorporation of a company to operate a line of steamers between that city and Coos Bay. The company proposes to issue \$125,000 capital stock and sell a good part of it here. The printed announcement reads like the prospectus of a wildcat scheme. Fortunately we are not dependent on Portland for our market, our transportation facilities—or our goods. We are not suffering for closer relations with Portland and if she wants our trade she will have to get down to business.

A Printer Greatly Surprised

"I never was so much surprised in my life, as I was with the results of using Chamberlain's Pain Balm," says Henry T. Crook, pressman of the Asheville N. C. Gazette. "I contracted a severe case of rheumatism early last winter by getting my feet wet. I tried several things for it without benefit. One day while looking over the Gazette, I noticed that Pain Balm was positively guaranteed to cure rheumatism, so bought a bottle of it and before using two thirds of it my rheumatism had taken its flight and I have not had a rheumatic pain since."—Sold by John Preuss.
