BETTER THAN PILLS

The question has been asked, "In what way are Chamberlain's Stomach & Liver Tablets superior to pills?" Our answer is: They are easier and more pleasant to take, more mild and gentle in effect and more reliable as they can always be depended upon. Then, they cleanse and invigorate the stomach and leave the bowels in a natural condition, while pills are more harsh in effect, and their use is often followed by constipation. For sale by John Preuss.

Polaris Launched

The schooner Polaris was launched at 6 o'clock sharp last evening, leaving the ways with a graceful bow, and gliding across the bay with a resistless force that broke the checking lines and piled her up on the mudflats so that it took considerable hard work for the tug Columbia to pull her off. She was christened by little May Preuss, as she started down the ways. An unusually large crowd was out to see the launching and all admired the handsome vessel.

A VALUABLE MEDICINE

For Coughs and Colds in Children
"I have not the slightest hesitancy in recommending Chamberlain's Cough Remedy to all who are suffering from coughs or colds," says Chas. M. Cramer, Esq., a well known watch maker, of Colombo, Ceylon. "It has been some two years since the City Dispensary first called my attention to this valuable medicine and I have repeatedly used it and it has always been beneficial. It has cured me quickly of all chest colds. It is especially effective for children and seldom takes more than one bottle to cure them of hoarseness. I have persuaded many to try this valuable medicine, and they are all as well pleased as myself over the results." For sale by John Preuss.

The people of Empire are somewhat encouraged by indications that there is a prospect that the Southern Oregon Company may sell out to some one who will get in and do business. It does not seem that there is a trade actually in progress but there is reason to believe that the property has been or is being investigated by parties who contemplate purchasing. Empire real estate is looking up, as a consequence. It is to be hoped that the hope of better things for Empire will be realized.
