

MATING.
The number of hens which should be mated to one male varies with the different breeds. In Barred Plymouth Rocks fifteen females may be mated to one male and 95 per cent of fertile eggs be obtained. Twenty-four Brown Leghorns may be mated to one male and equally good results obtained. All hens should be perfectly healthy and vigorous and should be mated to males equally vigorous and healthy, for in the breeding pens the germs of disease liable to sap the life of the young chick, or a strong, vigorous constitution that will give him life and new strength with every day he grows older.

Rev. R. S. Marshall will commence a series of special services at the M. E. Church on Thursday evening.

Money Rolling in.
Sudden wealth has a dazzling effect on some people and has been the ruin of more than one good man, but the Coast Mail comes out this morning just the same as if the proprietors had to work for a living. Yesterday some ladies who do not take the Coast Mail, sent a remarkably pretty girl to this office with a whole round copper cent, to buy a copy of the paper. We took the coin and never turned a hair, and now we are on a stand whether to build a railroad or start a bank.

Schley; Santiago
BY GEORGE EDWARD GRAHAM.

The Intrepid Associated Press war correspondent, who was aboard the U. S. Battleship during the entire five months of the campaign. Illustrated with photographs taken by the author during the fight.

The Most Sensational Book of the Day.

The true story of the famous cruise of the Flying Squadron under Commodore Winthrop S. Schley, including the blockade and destruction of the Spanish fleet, TOLD FOR THE FIRST TIME.

Contains an authentic endorsement and personal account of the battle by Lord-Admiral Schley.

"The facts of the story of the movements and operations of the Flying Squadron as the author tells them in this book are correct."
—W. S. SHELLEY.

An interesting narrative of facts. Explains the so-called "Heterogeneous Movement" in "Loop," the "Coaling Problem," and settles conclusively every adverse ruling of the Court of Inquiry.

PRESIDENT ROOSEVELT, when Governor of New York, said:—"Mr. Graham's story is the best account I have heard or read of the naval fighting during the war. It reads just as much as if you had been taking photographs as it did to work the guns."

THE NEW YORK HERALD says—"Mr. Graham, in the telling of facts, leaves the reader free to make the deductions that general naval officers send a Court of Inquiry to re-establish their reputations, if they can be re-established."

No subject has ever been before the public that has interested everybody as the manner in which Admiral Schley has been treated, and the American people demand the full recognition of his story of Santiago. This book tells everything just as it occurred and as the spectators saw it. Book in selling like wildfire. Liberal commissions. Quizzes and books now ready. Send seven 2-cent stamps for canvassing outfit. ACT QUICK. Now is the time to MAKE MONEY.

Price \$1.50, \$1.75, \$2.25, \$2.75, according to style of binding desired.
