Two Years Each in Penitentiary.

Parties coming from Coquille City Tuesday report that Lewis Norton, who pleaded guilty to a charge of forgery, was sentenced to two years in the penitentiary, and that Andrew Jackson, the colored man, was found guilty of assault with a dangerous weapon, and received a sentence of two years in the pen.

The case of Jos. M. M. Young, charged with rape, then went to trial. It was thought that the business of the session would be finished and adjournment taken by this evening.

There was but little work or movement about town Tuesday, the heavy rains keeping folks indoors.

Schley; Santiago
BY GEORGE EDWARD GRAHAM.

The Intrepid Associated Press war correspondent, who was aboard the U. S. S. Brooklyn during the entire five months of the campaign. Illustrated with photographs taken by the Author during the fight.

The Most Sensational Book of the Day.

The true story of the famous cruise of the Flying Squadron under Commodore Winfield Scott Schley, including the blockade and destruction of the Spanish fleet, TOLD FOR THE FIRST TIME.

Contains an authentic endorsement and personal account of the battle by Rear-Admiral Schley.

"The facts of the story of the movements and operations of the Flying Squadron at the author tells them in this book are correct."
—W. S. SCHLEY.

An interesting narrative of facts. Explains the so-called "retrograde movement" the "loop," the "Cedillo Problem," and settles conclusively every adverse ruling of the Court of Inquiry.

President Roosevelt, when Governor of New York, said:—"Mr. Graham's story is the best account I have heard or read of the naval fighting during the war. It needed but so much courage to go about taking photographs as it did to work the guns."

THE NEW YORK HERALD says:—"Mr. Graham, in the telling of facts, leaves the reader free to make the deductions that several naval officers need a Court of Inquiry to re-establish their reputations, if they can be re-established."

No subject has ever been before the public that has interested everybody as the manner in which Admiral Schley has been treated, and the American people demand the full recognition of the hero of Santiago. This book tells everything deep as it occurred and as the eye-witnesses saw it. Book is selling like wildfire. Liberal commissions. Galle and books now ready. Send seven cent stamps for canvassing outfit. ACT QUICK. Now is the time to make money.

Price \$1.50, \$1.75, \$2.25, \$2.75, according to style of binding desired.
