

CROWDS STAND IN

RAIN TO SEE FURNISH

Governor Geer has Business at Roseburg Which Prevents his Presiding

Salem, Or., May 17—Hon. W. J. Furnish and other state candidates were greeted by monster demonstrations at Salem last evening.

The magnitude of the reception surpassed any demonstration of the kind ever witnessed in any political campaign. One thousand men participated in the procession from the Willamette hotel to the city hall, where 1500 people listened to an address by the future governor.

The Armory was far too small to accommodate the immense throng, and hundreds were turned away.

The rain storm having abated for a short time, about 2000 people collected in front of the city hall, where they were addressed by Frank Davey, candidate on the Republican legislative ticket. Mr. Davey gave a rousing patriotic talk, and held the crowd until Furnish arrived, when the scene which greeted his first appearance was re-enacted.

When the demonstration subsided, Mr. Furnish gave a short business talk, and impressed his hearers most favorably, as possessing the desired qualifications for chief executive of the state.

A drenching rain fell throughout the evening which by no means interrupted the enthusiasm of the crowd. The entire demonstration was a memorable event in the political annals of Marion county.

The failure of Governor Geer to preside at the rally was an unexpected surprise and caused considerable comment. Governor Geer was waited upon Tuesday by W. J. Culver, chairman of the Marion county central committee, and accepted an invitation to serve as chairman of the meeting.

The governor left Thursday night for Roseburg announcing that he had gone on an official visit of inspection of the soldiers home. About noon Governor Geer, through his private secretary notified Chairman Culver that he had been called to Roseburg on official business, but if possible, would return to Salem on the afternoon overland train. In case he should fail to return, he requested the committee to be prepared to provide another chairman.

The governor failed to return, and Claude Hatch at a late hour accepted the chairmanship, which he gracefully filled.

Rich Placer Mine, Lost for Half a Century is Rediscovered.

Grants Pass, May 17—A Placer mine on Jacque creek, in Josephine county, which had been lost for half a century has been found by S. D. Johnson of Colorado.

A capitalist from Colorado Springs worked it 50 years ago. Being driven out by the Indians he never could find it until he sent Johnson to the creek. A bag of nuggets exhibited has created a great excitement.

STRIKING NINERS

HOPE FOR HELP

Anthracite Men Expect to be Joined by all the Soft Coal Diggers

Hazleton, May 17—The hope that the 300,000 union bituminous miners of the country will consent to join the ranks of the striking anthracite men is the rock upon which the leaders of the strike are building visions of victory today.

To do this the bituminous men would have to break yearly contracts, which were secured after hard labor, and of which the anthracite men are now trying the effect for themselves.

President Mitchell refuses to discuss the probability or possibility of a soft coal strike.

No time or place has yet been set for the national convention, but it is likely that it will be held at Indianapolis.

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE by our new invention. Only those born deaf are incurable. HEAD NOISES CEASE IMMEDIATELY. F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever. I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours, F. A. WERMAN, 736 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation. Examination and advice free. YOU CAN CURE YOURSELF AT HOME. INTERNATIONAL AURAL CLINIC, 596 LA SALLE AVE., CHICAGO, ILL.
