**DEAFNESS OR HARD HEARING ARE NOW CURABLE**  
by our new invention. Only those born deaf are incurable.  
**HEAD NOISES CEASE IMMEDIATELY.**  
F. A. WERMAN, OF BALTIMORE, SAYS:  
BALTIMORE, Md., March 30, 1902.  
Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.  
About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.  
I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.  
I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain  
Very truly yours,  
F. A. WERMAN, 730 S. Broadway, Baltimore, Md.
