Wilkesbarre Aug. 18—President Mitchell, according to a story current here this morning, is to leave here immediately on his return from the West, for New York where he will see Morgan and solicit his aid in bringing about a settlement of the anthracite strike.

This move on Mitchell's part will exhaust every possible effort on his part to secure a settlement by arbitration and conciliation.

Duryea, Aug. 18—No attempt was made this morning to resume work in Warnek washery. Nothing will probably be done in that direction pending the result of the hearing in Wilkesbarre in the case of the coal and iron policemen and armed workmen who engaged in last week's riot.

It is reported this morning that a number of Lithuanians and Slavs have formed a plot to dynamite the breakers when work is resumed.

ENGAGED.

Marriage is very largely an accident. In few cases do men or women set up a standard of manly or womanly excellence and choose by it. In most cases people become engaged as the result of propinquity rather than because of any deep rooted preference.

And so it often happens that the wife enters upon the obligations of maternity just as thoughtlessly as she entered on the marriage relation, because no one has warned her of the dangers she faces.

Thousands of women become invalids for lack of knowledge of themselves. It is to this large body of women that Dr. Pierce's Favorite Prescription comes as a priceless boon, because it cures womanly ills.

"Favorite Prescription" establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness. It makes weak women strong, sick women well.

"After my first child was born," writes Mrs. Jordan Stott, of Pawcettgap, Frederick Co., Va. "my health was very poor for a long time, and last winter I was so bad with pain down in back I could hardly move without great suffering. My husband got me a bottle of Dr. Pierce's Favorite Prescription and a vial of his 'Pleasant Pellets,' which I used as directed. In four days I was greatly relieved, and now, after using the medicine three months, I seem to be entirely well. I can't see why it is that there are so many suffering women when there is such an easy way to be cured. I know your medicines are the best in the world."

Dr. Pierce's Pleasant Pellets the favorite family laxative. One 'Pellet' a laxative, two 'Pellets' a cathartic dose.
