Bright's Disease

The largest sum ever paid for a prescription, changed hands at San Francisco, Aug. 30, 1901. The transfer involved in coin and stock \$112,500.00 and was paid by a party of business men for a specific for Bright's Disease and Diabetes, hitherto incurable diseases.

They commenced the serious investigation of the specific Nov. 15, 1900. They interview scores of the cured and tried it out on its merits by putting over three dozen cases on the treatment and watching them. They also got physicians for judges. Up to August 24, eighty seven per cent of the test cases were either well or progressing favorably.

There being only thirteen per cent of failures, the parties were satisfied and closed the transaction. The proceedings of the investigating committee and the clinical reports of the test cases were published and will be mailed free on application. Address John J. Fulton Company, 420 Montgomery St., San Francisco, Cal.
