

Magnes & Matson

Marshfield's Leading Outfitters and Furnishers

WE make a specialty of supplying men who insist on clothing that's up to the minute in style. We handle no other. Our stock is bought with the fine points of high-class Custom work competition in view, yet not taxing your purse beyond reason. We make a specialty of pleasing hard-to-please particular people. The more you examine our goods the more favorably you will be impressed with their superior merits. In Ladies' and Gents' Furnishing Goods we are leaders and keep the best selections, from the selectest stocks on the market. Our goods are representative of the highest standard of style, quality and workmanship.

Magnes & Matson

Coos Bay Mattress Factory

First Street, Marshfield, Oregon, Phone 239

Wholesale and Retail Dealers in and Manufacturers of Mattresses of all kinds. Also Upholsterers and Upholstery Supplies

IS one of the new industries that the growth and development of Coos County generally and the Coos Bay section in particular has brought into existence.

Using improved appliances in manufacturing, no reasonable amount of trouble or expense is spared to make finished goods a superior quality to that supplied

heretofore to local merchants by Mattress Factories of other cities.

Special attention is given to renovating, repair work and designs in either mattresses or couches.

Logical motives and praiseworthy endeavor

to please patrons should insure the success of this industry, thus furnishing to the residents of Coos county manufactured articles which before were not obtainable short of San Francisco or Portland.
