Salt Lake, April 6.—At the close of the morning session of the Mormon conference today, Carrie Nation pushed to the front and ascending the rostrum of the big tabernacle, asked the privilege of speaking, which was accorded by President Smith.

It was the biggest audience she ever had, and she rose to the occasion in a characteristic manner. She said she believed the Mormons were less addicted to the drink habit than most other people. She did not know about several wives but one husband was enough for her. She hoped the curse of liquor would never fall on them.

Dr. Miles' Heart Cure
Brought Good Health.**

"I have every reason to recommend the Dr. Miles Remedies as the Heart Cure saved my life. I am a large man, considerably over six feet in height, weigh nearly three hundred pounds. Some years ago my heart was so seriously affected that I never expected to get well. Doctors pronounced my case incurable. I noticed your advertisement in some paper, and bought six bottles of the Heart Cure. I felt great relief and improved so I continued until I had taken twelve bottles. My trouble was organic and I never expected to be permanently cured, but thanks to Dr. Miles' Heart Cure, I have kept in good health and have been able to follow my profession continually since first taking the remedies eight years ago. I am a musician, teacher of instrumental and vocal music, musical conductor, etc. I have taught all over the state of Michigan and have recommended Dr. Miles' Heart Cure to thousands of persons in all parts of the state and have heard nothing but good reports of it. I have induced dozens of persons in my own county to take Dr. Miles' Heart Cure as my word is never doubted by those who know me."—C. H. Smith, Flint, Mich.
"I am a druggist and have sold and recommended Dr. Miles' Heart Cure, for I know what it has done for me, and I wish I could state more clearly the splendid good health I am enjoying now. Your Restorative Nerve gives excellent satisfaction."—Dr. T. H. Watts, Druggist, Hot Springs, S. D.
