HIS LAST HOPE REALIZED.
From the Sentinel, Gebo, Mont.
In the first opening of Oklahoma to settlers in 1890, the editor of this paper was among the many seekers after fortune who made the big race one fine day in April. During his camping about and afterwards his camping upon his claim, he encountered much bad water, which, together with the severe heat, gave him a very severe diarrhea which it seemed almost impossible to check, and along in June the case became so bad that his neighbors brought him one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the dose was repeated. The good effect of the medicine was soon noticed and within an hour the patient was taking his first sound sleep for a fortnight. That one little bottle worked a complete cure, and he cannot help feeling grateful. The season for bowel disorders being at hand suggests this item. For sale by John Prosser.

It Must Come.
As inevitable as the changing seasons of the year is the change which comes to every woman. And just as one anticipates the changes of other seasons it is wise to anticipate the change of season and prepare for it. In this way the discomfort and distresses suffered by many women a long period of change can be avoided or lessened.
Dr. Pierce's Favorite Prescription, a medicine for every season of woman's life, will entirely meet the needs of women at the period of change. It cures the physical ills and relieves the mental anxiety and depression usually associated with the critical period. It tranquilizes the nerves, encourages the appetite and induces refreshing sleep.
\$500 REWARD FOR WOMEN WHO CANNOT BE CURED.
Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the disease and weaknesses peculiar to women ever attained, the proprietors of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Protrusion or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.
J. E. Corliss, Esq., of Manchester, Colfax Co., Tenn., writes: "I have been using your medicine for the last sixteen or eighteen years. I can best describe it as a stimulant to the system. I am a sufferer from the Golden Rule, Female and Astringent Compound. Your Favorite Prescription, Golden Medical Discovery and Pleasant Pellets are the best medicines for the disease for which they are recommended, that I ever used. They saved my wife's life at the time of 'change of life'. I have been recommending your medicine to many afflicted women and have also guaranteed that if it did not cure I would pay back the money spent for it. I have told our druggists that if the people come back and said 'Doctor Pierce's medicines did not give satisfaction, to give them back their money and charge it to me. I have not once been called upon to refund. I have never found anything to equal the 'Favorite Prescription' for diseases of women."
Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of 21 cent stamps for the paper covered book, or 37 stamps for the cloth bound. Address Dr. J. C. Pierce, R. 3, N. Y.
