Her Answer.
 I asked for a kiss and a cup of tea
 She looked at me quite roguish
 And said—how can I quite forgive
 "I fear the tea's not ready yet."

THE NEW YORK WORLD
 THRICE-A-WEEK EDITION
 Read wherever the English Language is Spoken
 The Thrice-A-Week World was a brilliant success in the beginning and has been steadily growing ever since. This is the test of all things, and has set its seal of approval on the Thrice-A-Week World, which is widely circulated in every State and Territory of the Union, and wherever there are people who can read our mother tongue.
 This paper for the coming winter and the year 1903, will make its news service, if possible, more extensive than ever. All events of importance, no matter where they happen, are reported accurately and promptly.
 The subscriber, for only one dollar a year, gets three papers every week and more news and general reading than most great dailies can furnish at five or six times the price.
 The Thrice-A-Week-World is absolutely fair in its political news. Partisan bias is never allowed to affect its news columns, and Democrat and Republican alike can obtain in its pages truthful accounts of all the great political campaigns.
 In addition to all the news, the Thrice-a-Week-World furnishes the best serial fiction, elaborate market reports and other features of interest.
 The Thrice-a-Week-World's regular subscription price is only \$1.00 per year and this pays for 156 papers. We offer this unequalled newspaper and Weekly COAST MAIL together one year for \$2.00.
 The regular subscription price of the two papers is \$2.50.

THE DORFORD'S BLACK-DRAUGHT FOR CONSTIPATION

Constipation is nothing more than a clogging of the bowels and nothing less than vital stagnation or death if not relieved. If every constipated sufferer could realize that he is allowing poisonous filth to remain in his system, he would soon get relief. Constipation invites all kind of contagion. Headaches, biliousness, colds and many other ailments disappear when constipated bowels are relieved. The Dorford's Black-Draught thoroughly cleans out the bowels in an easy and natural manner without the purging of calomel or other violent cathartics.

Be sure that you get the original The Dorford's Black-Draught, made by The Chattanooga Medicine Co. Sold by all druggists in 25 cent and \$1.00 packages.

Morgan, Ark., May 25, 1901.
 I cannot recommend The Dorford's Black-Draught too highly. I keep it in my house all the time and have used it for the last ten years. I never gave my children any other laxative. I think I could never be able to work without it on account of being troubled with constipation. Your medicine is all that keeps me up.
 C. D. McPHELAND.
