Halloween Ball

The members of the A. N. W. Club are arranging to hold a grand public ball on Halloween night, (Oct. 31.)

The proceeds of this ball are to be added to their public drinking fountain fund, of which mention has been made in these columns.

The ladies have procured the best of music and the hall will be profusely decorated for the occasion. It is the desire of the ladies to make this the best affair of the kind ever given in Marshfield, and for as good a cause as could be wished. The ladies are undertaking to raise, with what they already have, a sufficient fund to erect a fountain that

will be an ornament to the town. The ball will not be one the stiff conventional ones, but occurring when it does, on the night "when the witches are abroad" and all kinds of pranks are in order, nearly everybody can enjoy a little extra fun. Those who attend this public ball will not only enjoy the ball but the money they spend for it will always be in evidence.

The steamer Favorite leaves Coquille in the morning and returns there in the evening, and we understand that the Antelope will be put on that run when the fishing season ends. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 66 Warren St., N. Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
