TO THE THINKING PEOPLE OF ALBANY

Friends: Inasmuch as this is the day and age of sensational advertising and every business man is racking his brain trying to concoct some scheme whereby he can get ahead of his neighbor. We wish to deviate from that rule and make the following statements, knowing that they will be appreciated by all lovers of truth and justice.

STATE W. C. T. U.

EUGENE CITY, Or., May 8th. The Executive Committee of the W. C. T. U. met at 9:30 a.m. in the Methodist church which by the way, is one of the neatest edifices I have seen, both in style of architecture and finish.

Articles of incorporation were read and adopted, incorporating the W. C. T. U. of Oregon. A committee, consisting of Mesdames Edwards, Brown and Hoxter was appointed on revision of the constitution.
