Here is some advice that the republican party will do well to heed. It was given at the Convention of republican clubs in Iowa by an ex-Governor of that state, and is as follows:

"The only way to break the solid South is to get the people of the South to do it themselves. Take the republican party off all sectional planks; make the platform as broad as the country. Let the question of suffrage, of the counting of votes in the South, settle itself, as it surely will."

The truth of the matter is, there is not much of a question to settle, either politically or ethically. The races are getting on very well together under the influence of sound democratic common sense. Of course, the presence of a very large colored element gives rise to some social complications. But for these the cure has been ably pointed out by the recent Southern Immigration Convention. The large influx of industrious white settlers will soon dispose of the race issue in the South, and colored citizens will have nothing to complain of, because no one will oppress them in a country in which their labor will continue to be in profitable demand.

The Oregonian says:

"In view of the fact that the democratic party of Oregon has gone straight back on its tariff platform of two years ago it would be as well perhaps for Gov. Penneyer and the other brethren to ask the choir to open their meeting by singing."

Now, in view of the fact that the Oregonian has gone straight back on its free trade views so often expressed in its columns during the last five years, it would be as well perhaps for Williams and the other brethren to ask Bro. Driver to pronounce an invocation for the republican party of the state.

Teacher's Examination.

Notice is hereby given that the regular public quarterly examination of teachers for Linn county, will take place at the Court House in Albany, commencing at noon Thursday, May 31st, 1888. All teachers desiring examination will please be present at the beginning. You will further notice that the above date is made one day later than that required by law, for the reason that Wednesday, May 30th is a legal holiday.

D. V. S. REID,
 County School Superintendent.

TO THE THINKING PEOPLE OF ALBANY
 Friends: Inasmuch as this is the day and age of sensational advertising and every business man is racking his brain trying to concoct some scheme whereby he can get ahead of his neighbor. We wish to deviate from that rule and make the following statements, knowing that they will be appreciated by all lovers of truth and justice. We are here in business for the purpose of making money and we realize that in order to accomplish that object we must have a continuance of our large patronage. Furthermore we know that this can be assured only by extreme effort on our part and we wish to state that we will at all times give you first-class goods at prices as low or lower than any house in Albany, and in addition allow you 5 per cent off on all cash purchases. The statement made by some dealers that they can buy cheaper than others is folly in the extreme as all cash buyers have equal advantages one with another. What we are striving to do is to merit your patronage and we hope by square, upright dealing to do so and be of mutual benefit one to another.
 Respectfully,
 BROWNELL & STANARD,

I am now receiving my spring and summer dress goods. Call early and secure bargains

TELEGRAPHIC NEWS.

The Mill's Bill.

WASHINGTON, May 24.—The committee in charge of the republican branch of the tariff met to-day and figured as to the probable result of the vote on the Mills bill. Under liberal estimate from their standpoint there are now 163 votes in favor of and 162 against the bill in its present shape. This result is reached by the following line of reasoning: There are 163 democrats, 153 republicans and 4 independents. Thereof the latter will probably vote for the Mills bill and one against it. Thus the full strength of the two parties in the House is 171 democrats and 154 republicans.

According to the reasoning of the republicans, the democrats will lose nine votes and gain one and perhaps three republican votes, which gives the Mills bill a total of 163. The republicans expect to gain nine votes and lose one, which gives a total of 162. Chairman Mills says the republican managers will encounter considerable difficulty in naming the nine democrats counted upon to vote against the bill, as personal assurances have been given him which warrant him in saying that not even six democrats are disposed to vote against the bill, and if certain amendments are made that number may be reduced.

Only a Chinaman.

CHICAGO, May 24.—Charles Carey, who deliberately killed Moy Ni Ding, a Chinaman, at the stock yards packing house April 3, pleaded guilty, and has been sentenced to fifty years by the judge. The victim went to buy scraps, when Carey walked up to him, laughed, pulled a revolver and shot him dead. To the horrified spectators he said: "I've only killed a Chinaman."

Kansas Cyclone.

WELLINGTON, May 24.—A cyclone struck the town of Arizona, a few miles west of this city yesterday, cutting its way through the thickest settled portion of the place. Among the buildings destroyed are the Methodist Church, Palace hotel and a number of stores and dwellings. Several people were severely injured by flying timbers.

His Opinion.

MINNEAPOLIS, May 24.—J. W. Webb, state organizer of the prohibitionists in Oregon, said in an interview that Oregon is sure for the democrats, as the prohibition vote will throw it that way.

Signed.

WASHINGTON, May 24.—The president has signed the Harney land district bill, and Secretary Vilas informed Mr. Hermann to-day that he should favor such a place in the district for the office as would be conveniently central, and yet located so as to subserve the interest of the greatest number.

A New Bishop.

NEW YORK, May 24.—The tenth, eleventh, twelfth and thirteenth ballots in the Methodist conference failed to elect the fourth bishop. On the fourteenth ballot Dr. Newman was elected.

A Big Explosion.

PARIS, May 24.—A terrible explosion took place to-day in Merlot's cartridge and fire-works factory, between Pantin and Prest Gervois, by which seven buildings were destroyed. Eleven dead bodies have been taken from the ruins and twenty-one persons all more or less injured, have been rescued. The search for victims is proceeding.
