

Daily Democrat.

Cap. Humphrey will have a consolatory sigh next Tuesday when he contemplates the majority under which the republican county ticket has been buried.

Vanny Smith is a small man, yet he has made one of the best sheriffs Linn county has ever had. By the way, the people are to be heartily congratulated for their next Sheriff will be a smallman.

The greatest good to the greatest number is a cardinal democratic principle, hence the party favors a reduction of high taxation.

It is a human trait as broad and universal as civilization itself, that men like to far(e) well, so a large majority of the voters of the county will on next Monday, actuated by this universal motive, place the name of Far(e)well on their ticket for County Treasurer.

Organized labor has as many rights as organized capital, and to protect laboring men every voter should cast his vote for John M. Gearin for Congress.

Vote next Monday for Elmer Montague, the self-made man, for County Clerk. He is a man of sterling worth and a whole-souled, genial fellow.

Judge John Burnett's record can be found in the Oregon Reports when he occupied a position on the supreme bench. He is a fine jurist and should be again elected.

Democrats of Brownsville, send to your brethren in all parts of the county the report next Monday evening that you have fought a brave fight and have done your whole duty.

Baz. Cooper will make one of the best Commissioners the county has ever had. Baz. shows by attending to his own business well, that he is just the man for Commissioner.

As hades is said to know no fury like that of a woman scorned, so the world hath no greater liar than the campaign slanderer defeated.

Those large tax payers all over the county, who care more for good county government than politics, will scan their tickets next Monday, and if they do not find the name of Judge Whitney printed on them, they will quietly take their little pencils and write his name thereon.

In apprehension of the certain election of Judge Whitney, it is now believed that the Herald will revise and modify its campaign falsehood that that gentleman said that he would bolt the presidential ticket this fall in case he should not be elected.

How can Mr. Geo. Davis, the republican candidate for County Clerk, expect any support from the friends of Fred Muller, who owed much of his defeat four years ago, when running for County Treasurer, to the active opposition of Mr. Davis.

My democratic friend, when you go to the polls next Monday, scan your ticket closely and see that the name of E.E. Davis is on it for the office of County Recorder. He is every way competent and a whole-souled gentleman. He is the only candidate Harrisburg has had for a long time. That precinct has always stood up manfully for the ticket, so let all stand in now and return the compliment.

L. M. Curl, the democratic candidate for School Superintendent, is a young man of exemplary character, excellent qualification for the office, an Oregon raised boy, and deserves the vote of every democrat in the county. There is none of your smart "Aleck" in him. Democrats, look at your ticket and see that his name is on it.

It would be a grave mistake to elect a man for Sheriff who has no qualifications for the office, who can not add up a small column of figures. Therefore vote for John Smallman, who has a good education and is otherwise competent. Look at that ticket when you come to vote and see that his name is on it.

R. C. Miller, J. B. R. Morelock and Jeff Meyers are the three democratic candidates for the legislature. Be sure when you go to vote that the name of each is on your ticket. A vote for Richardson, Irvine or Kirk is a vote for Dolph.

E. J. O'Conner is a skillful surveyor. None better in the county. He is entitled to and should receive every democratic vote in the county. See that your ticket has his name.

Geo. Belt candidate for district attorney has had the experience of one term in that office and it would not be good policy to make change now and put in an inexperienced man. See that George's name is on your ticket.

The index finger of the signs points to the fact that there is a flower in the garden for the democrats of Linn county next Monday.

WHOM SHALL WE ELECT?

It is a matter of greater moment who shall be elected to congress than one would at first imagine. It is far more a matter of business interest to the people of the state than one of politics. Oregon is a young state, taking the necessary steps to assume her proper place in the family of states. What the great majority of the people of the state desires is a proper recognition of her claims in congress as one of the co-equal states. It would much facilitate the interests of Oregon by electing a member of congress who is in harmony with the majority of that body, for then our member could secure positions on important committees in which all the interests of the state, in the way of beneficial legislation and liberal appropriations, are settled and determined. Then it would be much better that our delegation should be divided politically, for then we would have a representation that could speak for all interests. The two senators from Oregon are republicans, and in case of Mr. Hermann's election the whole delegation will belong to that party, and hence they will never be able to do much for the state as long as the democrats have control of the lower house, which all admit will be for years yet. Mr. Gearin is a man of superior ability, a man who had his birth in this state, fully and absolutely identified with her material interests and prosperity in every particular, in harmony with the majority of the house, well-equipped with a full knowledge of all the state's needs, and in all respects the very man who can do Oregon the most good in congress. Then let democrats and republicans alike vote for the interest of the state by voting for Mr. Gearin.

Solicitor Jenks made a profound remark the other day when he declared that "very many people are Democrats who are not aware of it." As the clearing away of the clouds shows the mariner the stars and enables him to determine where he is, so the present discussion of economic question dissipates the fog of partisanship and discloses the path of safety.

It seems as though the Republicans will not be satisfied unless Mr. Blaine publishes his withdrawal in the form of an affidavit. But why this lack of confidence in the word of this most prominent candidate?

G. W. Phillips of Scio manages his own business successfully and will therefore make a safe, reliable County Commissioner. See that his name is on your ticket.

The most egregiously mistaken man in the county is the one who thinks tariff reduction will never win.

The great American fact is that the Linn county democratic ticket is growing stronger day by day.
