It is said of John Bright that he is the only secessionist Liberal of prominence in England whose name is never hissed when mentioned at a meeting of his former political supporters and sympathizers. The respect inspired by his long life of unselfish labor for humanity will stand heavy drefts without being exhausted. Mr. Bright's present political attitude is inconsistent with his previous course,but no one doubts his sincerity,and shou.d his present illness prove fatal all will do him honor at the grave.

An exchange says there is no occupation so healthy as kicking. If this be true the democrats of Oregon in general, and Linn county in particular,should be a very healthy set of fellows, for in the campaign just closed they have been "kicking" vigorously from Congressman down to Constable.

A Boston woman fifteen years ago touched her tongue to some lye, and recently it became necessary to cut it out-

The Queen of Denmark is deaf, but fond of music, and has a big powerful organ that she can hear.

To the Thinking People of Albany —Friends : Inasmuch as this is the day and age of sensational advertising and every business man is racking his brain trying to concoct some scheme whereby he can get ahead of his neighbor. We wish to deviate rom that rule and make the following statements, knowing that they will be appreciated by all lovers of truth ard justice. W are here in business for the purpose of making money and we realize that in order to accomplish that object we must have a continuance of our large patronage. Furthermore we know that this can be assured only by extreme effort on our part and we wish to state that we will at all times give you first-class goods at prices as low or lower than any house in Albany and in addition allow you 5 per cent off on all cash purchases. The statement made by some dealers that they can buy cheaper than others is folly in the extreme as all cash buyers have equal advantages one with another. What we are striving to do is to merit your patronage and we hope by square, upright dealing to do so and be of mutual benefit one to another.
