### LOCAL RECORD.

OVER .- The election is over, and now what shall we do? Might buy out Hear ing & Doneca's new coal mine at Sweet Home, and develop it. In the first place though it would be well to extend the O. & C. directly to the mines 'or an outlet. The starting up of the Oregon Pacific would take the place of politics prc ty weil. The organization of a woolen mill company by local capital would not be a bad scheme now. A telegraph line to Fox Valley would be a grand scheme. If some genius will give us something to keep cherry thieves from preying on our crees he can sooth the public mind.

Another Pioneer Gone.-On last Thursday Daniel Thompson died at Colfax and his remains were brought to Harrisburg and buried in the Purdy cemetery near that town. He was one of the old pioneers in Linn county, having settled near Harrisburg in an early day. He was the father of S. G. Thompson, who repre-sented Lane county in the legislature at the last session, and of Judge J. M. Thomp-son who died at Eugene some years ago. He was 79 years of age at his death.

Fox VALLEY.-For awhile yesterday this was a celebrated precinct. All of the others had been heard from, and Judge Whitney was six ahead, while that precinct is slightly republican. Hence the excitement ran high. Reasons were given so and so why the precinct should go for each, but Judge Whitney had the inside track on account of the new bridge built there by the present court, and the six was only lowered to three.

MARRIED.-In the Presbyterian church of Lebanon, at 11 o'clock this ferencon, Rev. Geo. Gibony, the popular minister, and Miss Mary, the recomplished daughter of Mr. C. B. Monts are, were united in marriage before a large congregation of friends. Several attended from this city and report a very nice ceremony. The DEMOCRAT wishes this worthy couple all the joy to be obtained from the union of a Christian man and woman.

Nor TRUE. The report circulated that Mr. Blackburn's majority in Orleans precinct is according to the official roll 44 Instead of 30 as given by the Democrat, is absolutely untrue. A Democrat man talked this afternoon with Mr. Johnson White, one of the judges there, who gave us our figures and he states that they were taken from the roll and he knows they are correct.

A CRANBERRY BUSH. - Wm. N. Miller is home from a several months sojours on his cranberry farm across the Sound from Scattle. He brought with him several cranberry starts, a couple of which will ornament the yard of a DEMOCRAT man. Raising of this delicious berry will be made quite an industry around the Sound, particularly on marshy land. The next thing to a marsh in Albany is the vicinity of the average hydrant. average hydrant.

AND JIM MURRY .- Albany Engine Co. No 1 held its annual election last evening, with the following result: C. H. Stewart, president; W. H. Warner, sec.; H. Craner, fin. secretary; Henry Suesens, foreman; Jas Murry, 1st ass't; Walter Parker, 2d ass't; C. W. Watts and Watt Monteith were elected delegates to the N. W. association to meet in Seattle in July.

AN ENTERTAINMENT,-The ladies of the M.E. church and congregation have in preparation an entertainment consisting of vocal and instrumental music, reciteto be enjoyable and instructive. June 15 is the time.

Don't Fatt .. - Don't fail to call and see Dubruille's fine display horse and his immense stock of harnesses and saddles. Back of Conrad Mayer's grocery store.

INJURED.-Tuesday Mr. David Smith another man and a boy were riding this side of Lebanon when the horses became fractious and threw alt of them out. Smith was seriously, but we understand, not dangerously injured.

FUNERAL SERVICES .- The funeral of Mr. L. Fanning will take place to-mor.ow afternoon in this city, either at the M. E. or U. P. church, which we could not learn.

THE OFFICIAL VOTE. The efficial rells of all the precincts in the county are in, and will be formally canvassed to-morrow evening in the clerks office.

AT Cost, -C. B. Roland & Co., of this city, are selling their entire stock at cost. Those wanting bargains should call early.

RECEIVER DISCHARGED. - Says the Pertland News : In the United States Circuit Court yesterday Judge Deady made an order in the case of the Southern Pacitic Railroad vs., the Oregon & Crlifornia Railroad et al. dismissing bill and discharging receiver; also referring accounts to George H. Durham, master, to audit, etc. This was the suit originally brought by Harrison et al. against the Oregon & Cali-Harrison et al. against the Oregon & California Railroad Company to recover mortgages held against that road. A few days ago an order was made by Judge Deady in which the Southern Pacific road was substituted in place of Plaintiffs, Harrison et al., for the reason that they had brought up and held most of the mortgages against the Oregon & California road. The order made dismissing the suits, virtually takes the road out of Receiver Koehler's hands and places it under the control and management of the Southern Pacific Co. management of the Southern Pacific Co.

LINN Co. MEN .- The following is from Tuesday's Corvallis Times, and is about some Linn county men. "After the polls closed last evening, the saloons were spened and in less than an hour the streets were lined with staggering men. An occasional fight kept an antious crowd running from one street to another to learn of the disturbance. Those who furnished the greatest attraction, perhaps, were Wallace Hulburt, Jake Maple and W. H. Maple, of Linn county. They were all drunk and disorderly and had trouble at Maddux & McCourt's saloon with some of the residents of this side of the creek. They were persuaded by the marshal to go home but were too full to go peaceably and the result was they were arrested at the ferry beat and taken before Recorder St. Clair, where and taken before Recorder St. Clair, where they plead guilty and were fined \$10 each, but being short of funds gave their watch as security. Afterwards a complaint was sworn out against Lewis Dyer and Wm, Emerick for taking a very prominent part in the affray. Dyer pled guilty and was fined \$10, and Emerick's hearing was set for 10 o'clock this morning."

### About a Bonquet.

CRAWFORDSVILLE, June 5, 1888. Editors Democrat :

In the Herald Desseminator of June under the head of "Crawfordsville Items" appears the following: "One of the candidates at the speaking here received a bouquet from a one-cycl old maid." facts are that the bouquet of roses was composed of a variety of pretty flowers, and was presented by a beaudiful young Miss, a daughter of Mr. Harmon Swank, near this place, and the recipient was Hon-Jeff Myers. The young Miss is 11 or 12 years of age, and I think her courtesy de-served a better notice that she got.

The election passed off quietly.

The remains of Samuel G. Thompson The remains of Samuel G. Thompsen were interred in the Purdy cemetery just Thursday. The fact was not generally known in the neighborhood and many who would otherwise have attended could not do so. Mr. Thompson was one of the earliest settlers in this locality and was well known both in the county and State. Of late years he has been very feeble both in mind and body and has been under the care of his daughter, Mrs. Dr. Boswell at Colfax W. T., from which place he was brought here for burial.

We were favered with a thunder shower every evening last week except Saturday and that evening we had rain alone. Friday evening we had a drenching rrin that any-where else would have been called a water-spout.
