Will any Republican solve the following
 problem for me? Why is it that the Republi-
 can wool buyers who think that Harrison
 will be elected and that the Mills bill will
 not pass, and consequently no tariff taken
 off wool, have been and are now offering
 less for wool than I am, who believes that
 Cleveland will be elected and that the revenues
 of the government will be reduced to a
 point to meet the just demands of the
 government only? In order to satisfy your-
 self who pays the least price look around
 and come to me to ascertain my figure.

TELEGRAPHIC NEWS

A Waterspout.
ST. AUGUSTINE, July 18.—A waterspout
 came in from the ocean and passed over
 the city, upsetting boats on the river, wreck-
 ing several buildings near the sea-wall and
 tearing up streets. A small steamer moor-
 ed at the sea-wall was raised thirty feet in
 the air and tossed upon land. Several row-
 boats suffered the same fate. Fortunately
 no lives were lost. Several drayloads of
 fish were secured on the streets after the
 waterspout had passed.

Hop Growers.
UTICA, N. Y., July 18.—The state hop
 growers association, in session to-day, de-
 clared themselves political opponents hence-
 forth of any man unfriendly to hops,
 malt and beer.

Chinamen.
WASHINGTON, July 18.—The United
 States consul at Victoria, B. C., reports to
 the state department that there has been a
 renewed influx of Chinese into British Col-
 umbia, arrivals from May to July 8 num-
 bering 1854 persons. Most of the immi-
 grants are provided with return certificates
 by the United States custom office, and are
 on their way to San Francisco. Many of
 these certificates, he says, are fraudulent,
 and the holders have made several attempts
 to cross the line near Vancouver.

Fastest on Record.
BUFFALO, July 18.—The bay mare Belle
 Hamlin trotted a trial half mile heat yester-
 day afternoon, at the Buffalo driving
 park, in 1:12 1/2, a 2:05 gait. This beats the
 world, Maud S. included.

A Sharp Detective.
CHICAGO, July 18.—Another sensation
 was sprung on the defense in the Q dynamite
 case to-day. John Wilson, one of the
 prisoners who was arrested with Brocker-
 ick and Bowles as anarchist conspirators,
 and as a brotherhood engineer, coolly left
 his seat in the group, of which Brockerick
 and Bauersfeld were members, and walked
 over to the side of the room where the
 prosecuting attorney sits. Wilson took a
 chair beside Mr. Dawes, attorney for the
 Burlington Co., and began to chat in a
 friendly manner. Then it was developed
 that Wilson was not an engineer, not a
 brotherhood man, and not even Wilson. His
 name is John Milligan, and he is a Pinkerton
 detective, and not only in the case, but
 it appears that he has had the confidence
 of all the prisoners and their attorneys.

Poor Marksman.
SAN FRANCISCO, July 18.—In a chase
 after Thom. Murphy this morning, who was
 discovered burglarizing a house on Jones
 street, twenty-four shots were fired by po-
 lice men, none of them taking effect. The
 burglar was finally captured in an alley,
 where he had secreted himself.

WALLA WALLA, July 18.—Frank E. Hod-
 kin, an insurance man of Portland, was
 robbed of \$50 at the Simon house Tuesday
 night. There was another attempt at
 burglary early this morning, but the burglar
 was pushed out of a second-story win-
 dow by the man whose room he tried to
 rob. The burglars are supposed to be
 some of the numerous tramps infesting
 this section.
