**BOOTS, SHOES  
—AND—  
SLIPPERS.**

I am now receiving my spring and summer stock of boots and shoes, I have as nicely a fitted up Boot and Shoe Store, and as complete a stock as any this side of Portland and very few better in Portland. I buy all my boots and shoes direct from manufacturers and am authorized to warrant every pair no matter how cheap. No firm in Oregon have any advantage of me in buying as I buy in quantities and pay the cash. In ladies', misses and children's shoes, I keep such a large stock and greatest variety in the city. My aim will always be to give as good value for the money as possibly can be done.

you will be convinced that we have not over-estimated ourselves. Remember we are buying our goods largely direct from first hands, thereby saving all profits of the middle men, and our command of ready cash has enabled us to buy our goods remarkably cheap, getting the benefit of all discounts and rebates, placing us in a position where we can dictate to them and not they to us, hereby always getting the

**CHEAPEST AND BEST  
FENCE MADE.**

The Shelleberger Combination Fence

It is as strong as plank fencing. It will last three times as long. It does not injure stock, being as visible as plank. It protects all your crops from all stock bred upon a farm. It is dog proof, protecting sheep from dogs and wolves. It is endorsed by 200,000 of the best farmers in the West, as fully filling every claim we make for it. It will turn a pig, bull, horse, hog, calf, sheep dog or half grown foal. It will save every farmer \$140 00 a mile on every mile of fence he builds. It is the strongest, cheapest, most durable, and perfect farm fence on earth. It forms the most perfect combination of two materials, making them inseparable and equally durable, combining as it does, the neatness and elegance of iron, with the strength and durability of steel. (Plated and painted, it makes a fine fence for the city.)
