Miss Loman was the guest of Miss Sperry last week.

Mr Peck, of Iowa, was in our city last week. He spoke as being very favorably impressed with our country.

Eph Barnhart returned from the lower Columbia last week. He reports things as being dull there.

Mr A Butte and wife returned from the Eastern states the 16th. They report having had a good time but say they think more of Oregon than ever.

Hon J B Sperry, formerly of this place, but now living in Heppner, was here last week. He returned home Monday.

W R Kirk and daughter paid Lewiaville, Polk county, a visit the latter part of last week.

Monday, the 16th, we were minus our regular mail here. The car, in descending the steep bank at Fullquartz landing, broke loose from the cable and went down into the river. Our mail came on the text day not the worst for its bath.

O P Coshow returned home Thursday from the Sound and reports every thing and body as being active over there. He thinks however, it is no such country as our beautiful and fertile valley, and is not anxious to trade his farm for city property in either Seattle or Tacoma.

Farmers are just now busy both haying and cutting grain. The yield this year will be abundant, and if prices will be good we will see good times here this fall. If farmers would look to their own interest sufficiently to refuse longer to pay out their hard earnings as tribute to our so called "protected" industries they would realize several cents more per bushel for their grain, besides buying all of their necessities of life cheaper. Let them look to their ballots next November.

Unnecessary taxation is unjust taxation, and unjust taxation is robbery of those taxed. The Treasury is overflowing, and, in the face of this fact, the Republican party proposes to continue the burdensome taxes which draw unnecessarily from the people.

JOHN A. CRAWFORD.

Insane.

WASHINGTON, July 25.—Congressman Hopkins of New York was taken to an insane asylum yesterday by his brother. He has been acting queer for some time past, in fact ever since he came to congress. He owes bills all over town. He first took a handsome house in a fashionable quarter of town and with flunkies galore and a handsome pair of trotters made a big splurge. He was admitted to the Metropolitan club, but they expelled him because he gave worthless checks. His case is a sad one. He was scarcely in the house, because he seldom or never attended sessions.

### A Big Steal.

ASTORIA, Or., July 25.—On the steamer that left Portland last Saturday night for this city was a Pacific Express Company's box, with a way bill calling for one package of \$10,000. When the steamer arrived here Sunday morning, H. D. Thing, clerk in the express office here, found that the express box did not contain a \$10,000 package, so he telegraphed to the Portland office, and notified C. P. Upshur, the express agent here, immediately upon his arrival from Helena, Montana.

A sack containing \$10,000 in gold coin had been delivered to the express company at the office in Portland Saturday afternoon, by the Commercial National bank, to be delivered to the bank of I. W. Case, of this city.

Immediately upon the discovery of the loss the express company paid I. W. Case \$10,000, and instituted search. Detectives were in this city searching for a clue, but without success. It is believed that the coin was not in the express box when the boat left Portland for Astoria. The pursers on the O. R. & N. boats, on which express is carried, are paid \$10 a month to look after the box.

### A Tariff Conference.

WASHINGTON, July 25.—A tariff conference of republican senators was held at Senator Evarts' residence to-night, at which a decision was reached that the finance committee shall prepare a tariff bill as a substitute for the Mills bill, and that it shall then be reported to the senate and take up and passed, regardless of the length of time this may require.

### A Prohibition Convention.

ST. PAUL, July 25.—The first business before the prohibition convention this morning was the platform, which was adopted substantially as read. The democratic and republican parties are held jointly responsible for liquor crime. It declares that the announced intention of the republican party to remove from tobacco and intoxicating beverages the internal revenue taxes, without abolishing saloons, and for the purpose of maintaining a high protective tariff upon articles of necessity, will result in cheap whisky and tobacco and high-priced clothing, and is opposed to the best interests of the people. Hugh Harrison of Hennepin county was nominated for governor by acclamation.

### A Drop in Sugar.

SAN FRANCISCO, July 25.—Sugar declined one-quarter of a cent a pound on all grades in this city to-day.
