EVERYBODY WONDERS

how we do it; yet if the world only knew of the energy, grit and enterprise we have displayed in collecting such a magnificent display of staple and fancy groceries it would not be surprised. We have the largest, finest and most complete stock of

GROCERIES AND PROVISIONS

ever brought into this city, and we are going to sell at prices below anything ever before offered in this place. You may think this a rash assertion; but if you will call and examine the quality of our goods and

Get Our Prices

you will be convinced that we have not over-estimated ourselves. Remember we are buying our goods largely direct from first hands, thereby saving all profits of the middle men, and our command of ready cash has enabled us to buy our goods remarkably cheap, getting the benefit of all discounts and rebates, placing us in a position where we can dictate to them and not they to us, hereby always getting the

BEST AND FRESHEST

and never allowing our goods to grow stale, worn and stale waiting for big profits. These are the reasons why we desire your patronage and why we enjoy such a healthy trade. We have added recently to our stock a full and complete line of

Crockery and Glass Ware.

These goods we bought direct from Eastern factories, thus securing the latest designs at prices way down. These goods have to be seen to be appreciated.

Farmers having produce to sell will at all times receive the top of the market for good produce, and your patronage is earnestly solicited. These facts are

WORTH LISTENING TO

and worth your careful consideration. We have the "Jumbo" stock, more goods than any three stores of the kind in Albany, and prices that beat them all.

CHEAPEST AND BEST FENCE MADE.

The Shelleberger Combination Fence

It is as strong as plank fencing.
It will last three times as long.
It does not injure stock, being as visible as plank.
It protects all your crops from all stock bred upon a farm.
It is dog proof, protecting sheep from dogs and wolves.
It is endorsed by 200,000 of the best farmers in the West, as fully filling every claim we make for it.
It will turn a pig, bull, horse, hog, calf, sheep dog or half grown fowl.
It will save every farmer \$140.00 a mile on every mile of fence he builds.
It is the strongest, cheapest, most durable, and perfect farin fence on earth.
It forms the most perfect combination of two materials, making them inseparable and equally durable, combining as it does, the neatness and elegance of iron with the strength and durability of steel. (Plated and painted, it makes a fine fence for the city.)
Price, only 50c. to 65c. per rod.
