CHEAPEST AND BEST FENCE MADE.

The Shelleberger Combination Fence

It is as strong as plank fencing.
It will last three times as long.
It does not injure stock, being as visible
as plank.

It protects all your crops from all stock
bred upon a farm.

It is dog proof, protecting sheep from
dogs and wolves.

It is endorsed by 200,000 of the best
farmers in the West, as fully filling every
claim we make for it.

It will turn a pig, bull, horse, hog, calf,
sheep dog or bad grown fox.

It will save every farmer \$140 00 a mile
on every mile of fence he builds.

It is the strongest, cheapest, most dura-
ble, and perfect fence on earth.

It forms the most perfect combination
of two materials, making them inseparable
and equally durable, combining as it
does, the neatness and elegance of iron
with the strength and durability of steel.

(Plated and painted, it makes a fine fence
for the city.)

Price, only 50c. to 65c. per rod.

you will call and examine the quality of our goods and

you will be convinced that we have not over-estimated ourselves. Remember
we are buying our goods largely direct from first hands, thereby saving all
profits of the middle men, and our command of ready cash has enabled us to
buy our goods remarkably cheap, getting the benefit of all discounts and re-
bates, placing us in a position where we can dictate to them and not they to us,
heretofore always getting the

and never allowing our goods to grow stiff and stale waiting for big
profits. These are the reasons why we desire your patronage and why we en-
joy such a healthy trade. We have added recently to our stock a full and com-
plete line of

Crockery and Glass Ware,

These goods we bought direct from Eastern factories, thus securing the latest
designs at prices way down. These goods have to be seen to be appreciated

Farmers having produce to sell will at all times receive the top of the market
