BINDING TWINE.

We start in this season with 60,000
pounds of absolutely pure manilla bind-
ing twine, which we will sell at as low a
price as the quality of the goods will ad-
mit. There is very little of the pure in
the market, and a great deal of poor twine
is being offered at low prices. We would
be glad to fill your orders for the best

EVERYBODY WONDERS

how we do it; yet if the world only knew of the energy, grit and enterprise we
have displayed in collecting such a magnificent display of staple and fancy gro-
ceries it would not be surprised. We have the largest, finest and most com-
plete stock of

GROCERIES AND PROVISIONS

ever brought into this city, and we are going to sell at prices below anything
ever before offered in this place. You may think this a rash assertion; but if
you will call and examine the quality of our goods and

you will be convinced that we have not over-estimated ourselves. Remember
we are buying our goods largely direct from first hands, thereby saving all
profits of the middle men, and our command of ready cash has enabled us to
buy our goods remarkably cheap, getting the benefit of all discounts and re-
bates, placing us in a position where we can dictate to them and not they to us,
hereby always getting the

BEST AND FRESHEST

and never allowing our goods to get soiled, worn and stale waiting for big
profits. These are the reasons why we desire your patronage and why we en-
joy such a healthy trade. We have added recently to our stock a full and com-
plete line of

Crockery and Glass Ware.

These goods we bought direct from Eastern factories, thus securing the latest
designs at prices way down. These goods have to be seen to be appreciated

Farmers having produce to sell will at all times receive the top of the market

goods than any three stores of the kind in Albany, and prices that beat them all
