I'm jolly and fat, though I needn't say that; for a glance at my size and a look in my eyes, and you plainly can see there's no flies upon me. I'm a little bit short both of breath and of hair, but from shoulders to knees you can see I'm all there. I smile and I laugh, I joke and I chaff; I refuse to be sad and I never get mad. But you'd never surmise where my happiness lies, so I'll up and confess what you never could guess. A good thing to eat is always a treat, which will make you as sweet as our sugar cured meat, makes you feel so content with the money spent that you're bound to feel glad; and you couldn't get mad though a man just as thin as a rail or a pin was to pull at your nose or tread on your toes. If you're fat or you're lean, if you're pleasant or mean, just give W. & T. a show to sell you right low, you will feel such a thrill of contentment until you'll wish you were fat. For the feeling's sake you'll wish your good sense by buying groceries, crockery,visions and of W & T

Wells, Fargo & Co., of San Francisco, have struck a blow at the free lunch counters of the saloon by planning to have the top story of their new building on Mission street fitted up as a dining room for their employees. The object of this is to keep young men who work for the company away from saloons, to which they are attracted by "free lunch." The Southern Pacific Company has had a similar plan in operation for some time. On the top floor of the main building, Fourth and Townsend streets, is a room that will accommodate 100 people at a time. Only employees are fed here.

TELEGRAPHIC NEWS

An Earthquake.

SAN FRANCISCO, Nov. 18.—The sharpest shock of earthquake since 1871 was felt here about 2:30 p. m. to-day. The motion was about northwest and southeast, and the duration of the shock eight seconds, low rumbling sound, which was distinctly audible, succeeded the shock. Many persons in hotels and in private dwellings ran out of the houses to the sidewalk. In the upper stories in high building the movement was as though the buildings were being quickly turned sidwise, and then quickly turned back. The observatories in Oakland and Berkeley give the duration of the shock at seven seconds, and the direction north and south. Report comes that in some houses babies were rolled out of their cradles by the shock.

A Little.

LONDON, Nov. 18.—The Standard regrets the Lord Randolph Churchill differed with the British public in regard to the Sackville affair. It says: "The knocking down policy is not the best nor wisest policy in the face of such notorious and repeated aims of unfriendliness as we have recently experienced at the hands of the United States government."

Lots of Rain.

SAN FRANCISCO, Nov. 18.—The steady downfall of rain for the past few days has created great havoc in the condition of the streets and sewers in many localities. The street department has been besieged with complaints for several days, and a large force of men are at work repairing the breaks and caves as rapidly as possible.

President Cleveland:

NEW YORK, Nov. 18.—The Sun says this morning that President Cleveland will visit San Francisco on a long vacation after March 4, 1889.

The Territories.

WASHINGTON, Nov. 18.—Leading democrats, both senators and representatives, are urging the necessity of doing something for the territories before their party goes out of power.

Suspended.

WASHINGTON, Nov. 18.—In answer to an inquiry about the suspension of Collector Quincy A. Brooks at Port Townsend, Secretary Fairchild sent the following reply: "I cannot now give you details, but it is because things were in my judgement, in many respects very wrong at Port Townsend."

West Virginia.

WASHINGTON, Nov. 18.—T. Riley, chairman of the democratic state central committee of West Virginia, has sent the following dispatch to the Post: Official returns from this state are sufficiently ascertained to warrant the announcement of the election of Judge A. B. Fleming, democratic candidate for governor by a small but sure majority. The rest of the state is elected by larger majorities. The legislature will stand on joint ballot, 46 democrats, 44 republicans and one labor union independent.
