I'm jolly and fat, though I needn't say that; for a glance at my size and a look in my eyes, and you plainly can see there's no flies upon me. I'm a little bit short both of breath and of hair, but from shoulders to knees you can see I'm all there. I smile and I laugh, I joke and I chaff; I refuse to be sad and I never get mad. But you'd never surmise where my happiness lies, so I'll up and confess what you never could guess. A good thing to eat is always a treat, which will make you as sweet as our sugar cured meat, makes you feel so content with the money spent that you're bound to feel glad; and you couldn't get mad though a man just as thin as a rail or a pin was to pull at your nose or tread on your toes. If you're fat or your're lean, if you're pleasant or mean, just give W. & T. a show to sell you right low, you will feel such a thrill of contentment until you'll wish you were fat to enjoy more of that For the feeling's immense and you'll show your good sense by buying groceries, pro crockery of W & T

FOR PILES.  
Itching Piles are known by moisture like pimples, producing a very disagreeable itching after being warm. This form as well as Blind, Bleeding and protruding Piles, yield at once to the application of Dr. Bosanko's Pile remedy, which acts directly upon the parts affected, absorbing the tumors, allaying the intense itching and effecting a permanent cure. 50 cents. The Astoria Transcript with inexcusable shortsightedness makes war upon the effort made by the general government to improve Yaquina Bay so as to make it suitable for deep draught vessels. Government engineers have more than once decided that with the proper expenditure of money this can be done. The inference deducible from the course of the Transcript is that it fears the improvement of Yaquina Bay will in some way lessen the chances of securing the proposed railroad from Astoria to connect with the Oregon Pacific. But it will not. The whole Willamette Valley want both enterprises to succeed.

Robert McLean, presidential elector elect, says the democratic party will live as long as sin is in the world. Robert, you are very right. So long as sin, crime, defalcation, maladministration, extravagance, monopolies, and unjust taxation remain so long will the democratic party remain to crush out these evils. The man who is so depraved as to desire the death of the democratic party is like Iscariot and his conditors who sought and compassed the death of the "meek and lowly one."

Blaine, Sherman and Kasson are talked of for Secretary of State in Harrison's cabinet. For other positions the following are talked of: John C. New, M. H. De Young, John Wanamaker, "Mee Too" Platt, Frank Hiscock, Wm. Walter Phelps, Eugene Hale, Fry, Evarts, Allison, Sabin Chandler, Quay, Edmunds, Spooner, and a host more.

An Atlanta book dealer keeps numerous files of local papers in order to supply the demand for back numbers. He finds it a lucrative business, too, oftentimes getting as much as \$5 for a single paper.

It is computed that this year's corn crop, if loaded for railroad shipment, would fill 2,878,571 cars and make a train that would reach 16,449 miles, or two-thirds of the way around the world.

The more the returns from Rhode Island are examined the less popular they are likely to be with the machine politicians. Five thousand additional votes for tariff reform are rather a notable circumstance.

Statistics show that seventy per cent of the people of the United States are suffering from disease of the kidney and urinary organs. A simple pain in the back, if neglected, often runs into that terrible scourge, Bright's disease, which carries off so many of our prominent men. If you are afflicted with any urinary or kidney trouble, no matter how slight, do not put it off until too late, but procure a package of Oregon Kidney Tea and take according to directions. It will cure you. Sold by Foshy & Mason.
