Dyspepsia 20 Years

Could Eat Only Stale Bread—All Else Caused Distress.

"I have derived so much benefit from Hood's Sarsaparilla, after having been a sufferer for more than 20 years from a bad stomach trouble, that I would like to tell about. For years I was obliged to live on stale bread and the juice of beefsteak. I had a great deal of inflammation and gastric trouble and was twice at death's door. A friend told me of Hood's Sarsaparilla and I decided to try a bottle. I derived so much benefit from it that I got three more, and after taking them I felt that I was entirely cured. I am now 85 years old and enjoy excellent health for one of my years, but every spring I take a bottle of Hood's so that I may feel strong and well during the summer, and I recommend it to anyone who suffers from dyspepsia or indigestion." Mrs. A. G. MARSON, 12 Mason Street, Salem, Mass.

All Run Down—Trepid Liver.

"Every spring I suffer from trepid liver and the debilitating influence of the change from cold to warmer weather. Last spring found me unusually run down, having nursed four of my children, unassisted, through a siege of scarlet fever. I took Hood's Sarsaparilla and passed through the trying months without any inconvenience whatever. I believe for persons having an inactive liver and poor blood Hood's Sarsaparilla is a good medicine." Mrs. E. B. GROSS, Findlay, Ohio.

It is because Hood's Sarsaparilla is Peculiar to itself that it effects such remarkable cures. Try it.

Remember on next Monday to cast your vote for Mr. Sprieger for county commissioner.

By all means vote. Do not stay at home on election day. Use your right of suffrage.

Steady, honest, capable, Mr. Palmer will make a county judge never to be ashamed of.

A brewery has been struck by the same bolt of lightning that knocked down two Methodist ministers.

Do not fail to put a mark before the name of W. F. Hammer for county clerk. He is a good man for the position and entirely competent.

Here is one thing every democrat and every populist should do on election day—vote for Ed Meeker for county recorder. He is entitled to every democratic and every populist vote in the county.

An active, energetic man, one always on the alert, quick to discern and ready to act, is the kind of man that is wanted to fill the office of sheriff. G. W. McHargue fills this bill in all particulars. See that you mark opposite his name when you come to vote.

Of course, the Cuban scandal is entirely confined to the civilian appointees and the War Department is innocent. Of course it is. But still we should really like to have some further information as to that \$32,000 a mile railway.

The United States doesn't need to own the whole of Asia in order to get its share of the oriental trade. All that is necessary is rustle. Hence all this oriental trade argument in connection with the Philippines, which continues to grow in size as an elephant, is the thinnest kind of matter.

While the Boer delegates were talking with Secretary Hay, the British ambassador was waiting in the ante room with the intention of seeing the secretary as soon as the Boers left and finding out from him what they had said. And yet the administration contends that there is no Anglo-American alliance or understanding.

All honor to the newspaper men who have served in the African war. Twelve of them have been killed already, and many of the survivors have been wrecked by wounds and disease. They receive no Victoria crosses, no promotions, no pensions, and yet they take greater and more continuous risks than any equal number of soldiers in the entire army.

It will not surprise the Democrat if Mr. Tongue is defeated for reelection by a considerable majority. There is a strong tide that way. A republican who will probably vote his ticket straight with the exception of for congressman said to the Democrat man a few days ago that Tongue stood for legislation in the interest of the corporations and trusts, while Daly would represent the people, and that the stars would bunch better off with some other man in the position. He doesn't like Tongue's record and will vote against him. And there are many others.

Close to Election.

It is only a few days until election, and the campaign is nearly ended. It has been a clean one on the part of the union forces, carried on above board, not underhanded. If the full vote is cast as indicated by the registration, and there is good reason to believe that it will be the union ticket will be elected by a large majority. This is not a mere political statement but a statement based on excellent evidence. Among the union forces there is a general unanimity of sentiment in reference to the ticket, one as the candidates have become known, that is answered with an expression of satisfaction, and the vote received by the different candidates will not vary much according to the present outlook. Therefore a strong pull together will mean a good deal for the ticket.

Victory at Hand.

EDITOR DEMOCRAT:

It has been the privilege of the writer to look closely into the political conditions in Linn County during the present campaign and having done so in a spirit devoid of partisanship, and with a view of ascertaining the result of the balloting next Monday, I have no hesitation in saying that the republican party will suffer one of the most crushing defeats that has ever befallen them in this county. This is predicated upon the contingency that the democratic and populist votes are reasonably fully cast next Monday. I want here and now to make a last but earnest appeal to every populist in the county to not fail to vote and to see that every democrat and populist in his precinct votes. If all do this the victory will be a most glorious one. This is intended for him who reads this article. FIDES.

Do Your Duty.

No democrat or populist can foretell how much depends upon his doing his whole duty on election day. Do you know that the election of some candidate may depend upon the effort put forth to secure his election. Your effort may secure the vote that would elect Daly to congress. Let every one labor to secure support for Mr. Daly for Tongue has proven himself to be inefficient and derelict. Labor all day next Monday as though you needed just one vote more for the ticket.

From the La Grande Chronicle.

When a state senator from Linn county a dozen years ago, Hon. J. K. Weatherford, one of the ablest democrats in the state, made a determined fight in the legislature for the repeal of the law that prevents a railroad man injured by the carelessness of a fellow employe from recovering damages. The legislature was dominated then as now by the master hand of Joe Simon and the relief demanded by the railroad employes was not granted. And there will be no relief as long as the Monomah ringsters dominate the legislature of the state. Vote for no man blindly. Get your pledges, find out where the candidates stand before you delegate them authority to represent you.

The Cottage Grove Leader boasted of the prosperity of its streets on account of the work in the mines, and immediately the Register jumped up, clapped its hands, and yelled what a break had been made, one that would hurt the union ticket. This crazy statement is a sample of the arguments of some of the republican papers. As Mr. Woolly intimated about the only argument the republican party has is the cry of "prosperity, prosperity, prosperity," which every body is glad to see where it is deserved, and is bound to occur in mining camps and among the trusts and monopolies.

It's a Serious Thing

For a woman to come to that period known as change of life. It is almost always a period of suffering, and the derangement of mind and body is some times so great that the family life is utterly marred by the unhappy wife and mother. At such a time every woman needs just the help that is given by Dr. Pierce's Favorite Prescription. It works with Nature, soothes the nerves by nourishing them, and cures diseases of the delicate organs. In brief, it makes weak women strong; sick women well.

"Favorite Prescription" contains no alcohol, neither opium, cocaine, nor any other narcotic.

"I have taken four bottles of 'Favorite Prescription' for female weakness and change of life," writes Mrs. Lizette A. Bowman, of New Matamoras, Washington Co., Ohio. "Before I began taking it I could not do anything. I had such pains in my head and in the back of my neck that I thought I would lose my mind. Now I can work every day and do not suffer. I recommend 'Favorite Prescription' to all women suffering in the period of change of life. It is the best medicine I have ever found."

Every woman should send for a free copy of Dr. Pierce's Medical Adviser. Send at one-cent stamps to pay expense of mailing only for the book in paper covers, or 3¢ stamps for cloth, to Dr. R. V. Pierce, Buffalo, N. Y.
