The Oregon's Week

WASHINGTON, June 30.—The Oregon struck a rock in Pi Chi Li Gulf. Holes are in the side and bottom.

The Chinese War.

WASHINGTON, June 30.—Kempff wires that ministers at Peking were given one day to leave on June 19th but refused, and are still there. The relief force, McCalla commanding, were attacked when half way to Peking June 18th and four were killed, twenty wounded. McCalla and Ensign Landsig were slightly wounded. Over 14,000 troops are now on shore.

The Warm Springs Agency

WASHINGTON, D. C., June 30.—Tomorrow the office of Indian agent at Warm Springs, Oregon, will be dropped, and the agency and schools will be placed under a bonded superintendent, J. E. Kirk having been appointed to position in place of J. L. Cowan, and this is one way of displacing a "gold democrat."

In Illinois.

CHICAGO, June 30.—The Democratic Congressional and Senatorial Conventions began their sessions today. The democrats expect to gain three congressmen in Illinois this fall and the congressional convention feels absolutely certain of a gain of two.

Ringleaders Behended.

PARIS, June 29.—The Minister of Foreign Affairs, M. Del Casse, informed the Cabinet Council today that the Viceroy of Yunnan had telegraphed that M. Francois, the French Consul and his party, who left Yunnan Sen, June 24, had reached Tong Hai, halfway to Tonquin, June 27, safely. The Viceroy it is further announced had caused the ringleaders of the mob which attacked the Francois party June 7, to be behended.

Making a Show.

NEW YORK, June 29.—Governor Roosevelt came into the city today from Oyster Bay, unaccompanied and spent the forenoon in arranging some private business matters. At 5 o'clock he left on a Lake Shore train for Oklahoma, where he is to attend the Rough Riders' reunion to celebrate the battle of San Juan. He goes unaccompanied.

The Oregon.

LONDON, June 29.—The Shanghai correspondent of the Times, telegraphing Friday says:

The battleship Oregon went ashore in a fog off Hoo Kie island, 50 miles north of Che Foo. Messrs. Jardine, Mathieson & Co. are sending her assistance.

WASHINGTON, June 29.—Up to midnight tonight no official news had been received in Washington bearing upon the report that the battleship Oregon had gone ashore near Che Foo.

The Situation.

NEW YORK, June 29.—A dispatch to the Herald from Canton says: While the general situation here is unchanged, an uneasy feeling prevails. An imperial mandate from Peking directs Viceroy Li Hung Chang to remain in Canton for the present. An uprising is feared in case of his departure. The numerous daily criminal executions by order of the Viceroy show the realization of the serious condition of affairs and firm intention to prevent trouble.

The Elder.

PORTLAND, June 30.—The steamer Geo. W. Elder tied up to the Ainsworth dock at 8 o'clock last night, after a voyage of nine days from Nome City having made the round trip including five days lay-over in Dutch Harbor and six days discharging cargo at Cape Nome in 34 days. She brought 13 passengers, none of whom report that they struck it very rich. Her trip is the quickest on record.

Boer Operations.

LONDON, June 30.—Active Boer guerrilla operations are reported from half a dozen points in Orange river colony. Boer official reports from Machadodorp aver that a part of a British convoy was captured June 24 near Winburg.

A Tangent Wedding.

At high noon, June 25, in the presence of many friends and in the beautifully decorated parlor of Mr. and Mrs. Eliza N. Jenks at Tangent, stood Mr. John Vandross and Miss Cora Vann to be united in marriage. The bride was attired in a beautifully made and tastefully adjusted navy blue traveling dress. The grooms toilet was all that could be desired on so interesting occasion. The ceremony was short, full of meaning and binding. The decorations were ivy evergreen, typical of life, of higher life; sweet peas, fragrance, enlarged usefulness, far reaching in its effects; pansies, modesty, purity; heart-ease and many other flowers, expressive of the varieties of life. A number of useful presents were made and amid the congratulations dinner was announced. This call found a ready response and the table showed the skill, taste and the bountiful hand of the good housewife. The groom and bride left on the overland to spend a couple of years at Berkeley in the further prosecution of their studies. We were the first minister to eat and to perform marriage in this beautiful and elegant home. P. A. MOSES.
