GRAFTS.

The man who can trace his ancestry back several hundred years has a great deal to answer for, and had better not boast about it.

The man who waits until he is older and wiser will never get married.

A general rustle will make bustling business this winter. Is your name in big black type inviting the public to call.

Many a man is paralyzed at the sight of snapping black eyes.

The victim of a railroad accident never knows how badly he is injured until he sees his lawyer.

The great question of the season—who has the finest and most stylish hat?

Is there any greater force in the world than the police force—during an election.

The Strike.

PHILADELPHIA, Sept. 21.—The tragedy that has been looked for since the coal-workers' strike began, came suddenly and unexpectedly at Shenandoah this afternoon. A posse, hurriedly gathered by Sheriff Toole of Schuylkill county, to meet an emergency, was forced to fire on a mob that was threatening workmen on their way home under escort. A man and a little girl were instantly killed and several more or less wounded. Sheriff Toole lost no time in calling on the National Guard General to send troops to aid him.

Enormous Rainfall.

CALCUTTA, Sept. 21.—The extraordinary rainfall in Northern India has not ceased for four days. Half the city of Calcutta is submerged and even in the northern part the streets are flooded to a depth of three feet. Many houses have collapsed. Thus far, there has been but little loss of life, although as the rain continues very heavy, there is considerable apprehension. It is estimated that 35 inches of rain have fallen here.

Hanna's Program.

CHICAGO, Sept. 21.—United States Senator Hanna, chairman of the executive committee of the national republican committee today announced that he will make an extensive tour of the West, particularly in Nebraska and South Dakota. On his return from the East, whether he departed tonight, he will arrange his plans.

A Lone Highwayman.

SPOKANE, Sept. 22.—Single-handed, a masked robber held up the west-bound passenger train on the Northern Pacific at 1 o'clock this morning and succeeded in getting away with between \$400 and \$500 in cash, several watches and a quantity of jewelry. The robbery occurred after the train left Athol, Ia., and the lone robber left the train at Rathdrum.

At Galveston.

GALVESTON, Sept. 21.—At noon today martial law was abolished and the civil government resumed control of affairs. The contract for clearing the streets has been awarded. The contractors will establish boarding camps on the beach and commence work Monday morning with an army of laborers at \$2 per day.

Under Compulsion.

LONDON, Sept. 21.—Further reports from Lord Roberts say the Boers who remain in the field in Cape Province are disabled, but that the majority are fighting under compulsion. General De la Rey is added, holds 300 burghers as prisoners.

A PIONEER OF 1845.—One of Oregon's oldest pioneers died at his home in Jacksonville, Tuesday, the 18th, in the person of Colonel J. N. T. Miller, aged 74 years. Col. Miller was a native of Hardin county, Kentucky, where he was born in the year 1826. He came to Oregon among the earliest immigrants in 1845, and settled in Jackson county, where he has since resided in 1853. In that year he was married to Mrs. Elizabeth Ann A. W. Grey, the union being blessed with eight children, five of whom have preceded the father to the beyond. Besides his wife Col. Miller leaves three children: Col. Robert A. Miller, of Oregon City; Mrs. Anna Beach, of San Francisco, and W. L. Miller, of Jacksonville; and two brothers, General John F. Miller of Salem, and Emmett Miller of the state of Nevada, and a sister, Mrs. Charlton, of Portland, to mourn his loss.—Tidings. Col. Miller is a relative of F. J. Miller of this city.

A FINE GUN.—The DEMOCRAT office has just received direct from the factory a take down repeating shot gun, model 1897, one of the finest guns ever made, sure death to Chinese peasants in season. It is for sale to some one who appreciates a good thing.

MISFITS.

The streets have been cleaned up and business resumed in Portland.

Albany "Boxers" use flatirons and fight about as poorly as the Pekin boxers, striking and running.

Speaking of saw mills, what about the big saw mill at this city for which a big bonus was raised after considerable work by a progressive committee. Albany people would like to hear some more from it. Saw mills are an interesting subject.

On the train the other day a friend asked Col. Parker what the Walla Walla fair was going to be. The Col. doesn't hear very well, and always rides on a not sure, ask the conductor, what the thunder is you ask me for, I am an editor.

The Oregon Republican Editorial Association have decided not to publish the supplements of the state central committee for nothing. They want some of the campaign funds. Why not. If anybody deserves campaign funds it is the newspaper men. They do more work and get less thanks than any one else. The American Type Founders Co. get the money and the editors get the soup and pay expressage.

It is dollars to doughnuts, that you never saw such dancing as this company do. Then there are the specialties. They have seven strong acts in the olio, of new and up-to-date vaudeville.
